Bulletin #: A2025-04  
October 29, 2025

**To:** Ontario Soccer; District Membership and Associate Membership  
**CC:** Ontario Soccer; Board of Directors, Staff  
**From:** Patty Forbes, Senior Director, Corporate

**Subject:** PowerUp Member Registration System Launch Plan Update

Ontario Soccer in partnership with PowerUp Sports is pleased to provide the following update regarding our New Member Registration System communicated in Information Bulletin [I2025-26](#), and Action Bulletin [A2025-03](#). The PowerUp platform will be launched on **November 1, 2025**. Over the three weeks leading up to the PowerUP Launch, District Associations and Clubs have had access to seven training sessions on the platform, met with PowerUp support staff and are prepared to start registrations for the **Outdoor 2026 season**.

*PowerUp staff will be monitoring the system itself, and Support email at [ontariosoccer@powerupsports.com](mailto:ontariosoccer@powerupsports.com) this weekend from 9:00 am to 5:00 pm in the case there are any questions and to ensure a smooth start for your organization.*

Going forward, all Clubs can expect easy-to-use tools for transmitting registration information to Districts and Ontario Soccer. For **PowerUp Clubs**, this will require very little in addition to what has already been done by your Club. For **Non-PowerUp Clubs**, this will be via the import (upload) process. Submission of (competitive) rosters for District approval will be handled by the tools provided in the system.

Updates to the Support articles including all videos for the topics covered for both Districts and Clubs will be live in [Freshdesk](#) (the internal Knowledge Hub with articles and videos that all PowerUp users have access to 24/7)
