- Additional coaches shirts have been ordered and will be distributed once received.
- Picture Day/Food Drive is set and will be held at High School. Stephanie will get information out to coaches in near future.
- Feltz discussed the possibility of reviewing and adjusting some of the rules for OYBL. The board was in agreement that some minor changes were needed in order to provide for better play. The steal rule was revised to allow for stealing of passes within the three-point arc.

Travel

- Schmidt discussed the possible need to move the date of our hosted boys' tournament. We struggled to fill the tournament this year and belief is that teams are having to wait on their league schedules. The tentative plan would be to move the boys' tournament to the week after the girls tournament. Future discussion to be had about topic.
- Schmidt also discussed the need to move the travel evaluation dates up. The tentative plan is to move evaluations to the third week of September to allow more time for rostering and entering leagues.
- The girls' tournament is set for the weekend of Jan. 26th. To date we have turned away (23) girls teams as tournament filled up early.

- SafeSport Act will be discussed at next meeting.
