

Inspiring Kids to Become

LIFE CHAMPIONS!

Jam Hops Families,

It's a sad day today as it'll be our last day open for onsite classes for a while. This is so hard for us, knowing we won't be seeing all of you, and doing what we love to do! The good news is that since we've been through it before, we have come up with a plan much more quickly this time. We also learned what worked well and what didn't, so we're excited to get started with our online classes!

Here is our plan:

The classes that are going to be missed for 11/21, 11/23, 11/24 and 11/25 will be allowed to do a make-up class when we reopen, or receive a Missed Class Voucher to be used toward Campstastic, Skill Clinics or activities at Jam Hops. If certain levels/classes are too full to accommodate make-ups when we reopen, we will schedule additional special make-up classes.

The Governor's mandate is that we be closed from 11/21/20 - 12/18/20, however since that brings us almost to the holiday break we'll remain closed until 1/4/21.

Beginning Monday, November 30th we will offer many online gymnastics, dance, cheer and Ninja classes during the day and evenings. Here's the good news...you will be able to join as many classes as you'd like each week! We encourage you to try out all of our different programs during this time. Our goal is to keep your kids active, engaged, and maybe out of your hair for a while each day ;-). We know that this time will be difficult for everyone, so we want to connect and offer help not just physically, but also emotionally and have a fun time together! Of course, your children can also join us for Campstastic + at our Blaine/Ham Lake location.

You will be able to access the class schedule and links to the classes via your Jam Hops Customer Portal. After you login, you'll pick the child that is joining a class and then the schedule page will come up listing all of the class options. Just click on the class you want to join within 5 minutes before the start of class. It's that simple! The cost for the month of December will be \$40 for as many classes as you'd like to join. Accounts will be billed December 1st for all recreational dance, cheer, and Ninja students currently enrolled on that date. We humbly ask and would very much appreciate you giving this a try, but if this doesn't work out for your family please contact our office by 11/30/20.

Lastly, during this Customer Appreciation Month and time of Thanksgiving, I want to thank all of you for being part of our Family. We truly appreciate the opportunity to spend time with your kids each week, and share ourselves with them too. We will still be holding our prize drawings on December 1st, will notify the winners, and will post them on our website and social media.

It's an honor to serve all of you, and I want to thank you for supporting us during another difficult time. We couldn't do it without YOU!
