Board Spotlight...

My name is Amy Schaefer and I am honored and privileged to serve as your new WYHA President.

I have two kids in the program and have been involved since 2014. I served as the House League Manager from 2015-2020 and Secretary of the board from 2013-2021. I recently was Vice President of the Board from 2022-2023 before becoming President. I have also served as manager of several teams from 2016-2023.

I have grown to love the sport of hockey through the eyes of my children and their teammates. I have seen many kids grow up in the WYHA program from when they were Atoms until reaching High School level. I can honestly say we have some of the best kids around and I am so proud of each and every one of them.

Let's continue to make hockey a fun, passionate and great sport for all of our kids and kids to come. I want to hear everyone loud and proud, Let's go Hawks, Warriors and Warhawks!!!!!!
