Part 1: Regarding the above named student-athlete: (Select Exception and Attach Supporting Documentation)

From the list below, please select the exception that applies to the student-athlete named above.

(a) A student in grade nine (9) may transfer one (1) time during that school year without loss of eligibility. They shall be immediately eligible upon registration provided they meet all other DCSAA eligibility requirements. However a student shall not participate in a contest at the varsity level for two different schools in the same sport during the same school year. A student is considered a ninth (9 th) grader until the first day of school of their tenth (10 th) grade year.	<input type="checkbox"/>
(b) A student attending a member school has a valid change of address, defined as when a student moves from the residence where the enrolling parent(s) lived with the student, and that has been vacated by the entire family for use as its residence to a new residence with the enrolling parent(s).	<input type="checkbox"/>
(c) The transfer is caused by court action, court action being an order from a court of law affecting legally committed students. In the case of a transfer of guardianship or custody, the transfer shall be the result of a court order signed by a judge, commissioner, or master of a court of competent jurisdiction. A petition for the transfer of guardianship or custody, an affidavit, or a notarized statement signed by the affected parties shall not be sufficient to render the student eligible to participate in interscholastic athletics. For purposes of eligibility, a child placed within CFSA custody is eligible to participate in interscholastic athletics immediately at the school they attend.	<input type="checkbox"/>
(d) A student who registers on the basis of a petition for the transfer of guardianship is not eligible to compete until the custodial legal guardian has provided the aforementioned required documentation or has received a signed court order designating them as the student's custodial legal guardian.	<input type="checkbox"/>
(e) If the student is in their second, third or fourth year of eligibility and the transfer is a result of a seat opening in the receiving school if the student had previously applied to the school and had been rejected due to a lack of capacity or a result of admission via the DC school based lottery. For this exception to apply, the receiving school shall have appropriate documentation including: a dated and school stamped student application from a previous school year; a letter in response to the application notifying the student that they were not accepted; and a letter dated after the start of the school year offering the student a seat in the receiving school or a notification of admission from the lottery school.	<input type="checkbox"/>
(f) Transfers because of promotion or administrative assignment to the ninth (9 th) grade from a school whose terminal point is the eighth (8 th) grade, or to the tenth (10 th) grade from a junior high school whose terminal point is the ninth (9 th) grade, shall not constitute a transfer. Students so promoted or administratively assigned shall be eligible.	<input type="checkbox"/>
(g) The sending school dropping their entire athletic program. Dropping their athletic program is defined as the school discontinuing all of their interscholastic athletics sports programs.	<input type="checkbox"/>
(h) The closure of the sending school.	<input type="checkbox"/>
(i) The sending school discontinuing a single sport at the varsity level.	<input type="checkbox"/>
(j) The student has special needs, as identified by the Individualized Education Program (IEP) or Section 504 Plan, and is transferred to another public school for the delivery of a free appropriate public education;	<input type="checkbox"/>
(k) The transfer is the result of the student's being homeless as defined by OSSE, except if the student's homeless status is shown to have been created by the student or his/her family for the primary reason of eligibility in interscholastic athletics;	<input type="checkbox"/>
