December 22, 2025

In Attendance: Kevin Lawson, Sharon Blackwell, Jacob McGregor, Jeff Barrett, Kent Barrett, Reegan Zacharias, Ishan Manerikar

Missing: Justin Scott

Recused: [REDACTED]

Kevin Lawson called the meeting to order at 7:01pm.

Kevin Lawson provided a brief recap of the events of [REDACTED] and the complaint shared by [REDACTED]

The specific topic of [REDACTED] and [REDACTED] interactions was discussed by the board members.

After discussion it was concluded that the actions were inappropriate and there are much more appropriate ways for coaches to deal with the situation. It was mentioned that overall these types of events can serve as a good reminder to all league members to behave appropriately. It was mentioned how important it is that every parent feels they can voice concerns about coaches and vice versa.

It was discussed how dealing with various types of disabilities can present issues coaches may not be equipped for. Coaches learning about how different disabilities play and react would be useful. Jacob will make sure all coaches are aware of teaching videos online from Powerhockey Canada.

Sharon will look into creating a vision mission and values document for the league.

The topic of treatment of referees was then discussed. Everyone agreed that the learning period for new referees has been difficult but in no way does poor performance entitle anyone to disrespect referees. Ishan will continue to train referees and in the near future will send out a reminder letter to everyone on expectations regarding respect and sportsmanship. Jacob will inform [REDACTED] that Devon is unavailable for a refereeing clinic.

The way this incident was handled by [REDACTED] was discussed. Everyone supported the steps taken, with no concerns mentioned.

It was concluded by the group that [REDACTED] will draft a letter to [REDACTED] stating [REDACTED] action of singling out players and [REDACTED] treatment of referees was inappropriate and future incidents may lead to supplementary discipline. A draft will be sent out as soon as possible for edits and approval.

[REDACTED] will call [REDACTED] to update [REDACTED]
