BEST WISHES FOR THE 2020-2021 SEASON
from your friends at

STUDIO 41
HOME DESIGN SHOWROOM
Dear New Trier Hockey Community,

On behalf of the New Trier Hockey Club Board of Directors, I’d like to thank our sponsors, coaches, volunteers, parents and players for contributing to our successful hockey program. Thanks to all of you, we are blessed to have one of the premier hockey programs in the country.

We entered this 2020-2021 season with a great deal of pride and anticipation, unfortunately things haven’t gone according to plan in almost all aspects of our lives, including hockey. That said, we continue to press forward in hopes of a shortened and successful season. We are very excited about the quality and depth of our teams, players and coaches. Due to very strong player demand, this season, the NTHC will field four varsity teams and two JV teams, allowing more than 120 New Trier students to play hockey.

We have a long and proud tradition of providing New Trier students with the opportunity to participate in high school hockey and to compete against other top programs in the state and region. In addition to providing great competition, our program strives to promote perseverance, teamwork, and integrity of character in everyday life. Our players exemplify this with their strong performance on the ice, excellence in the classroom, and by demonstrating a strong effort to improve our community. We are proud of our players and appreciate their dedication and accomplishments.

This past year, New Trier Hockey players continued the tradition of philanthropy in numerous meaningful ways. These activities included raising over $12,000 for the Bear Necessities Pediatric Cancer Foundation, raising money and contributing their time to volunteer with Lurie Children’s Hospital, collecting winter gear and coats for Connections for the Homeless organization, and logging hundreds of hours of community service. In addition, we have several other team focused service projects and mentor programs that give players the opportunity to work together to further support our community.

As you enjoy this edition of the New Trier Hockey Program Guide, please take special notice of our sponsors. These local businesses and organizations are the backbone of our community. These businesses need our support now more than ever! Because the NTHC is neither sponsored nor funded by New Trier High School, the support of our sponsors is critical to keep our program running. It is important that we support them in return.

I’d like to thank all of the NTHC volunteers for the time and effort that they give to this organization. While we have experts on the coaching side, we are also reliant on parent volunteers to make New Trier Hockey run smoothly.

Finally, thank you again for your patience and perseverance throughout this unusual season! In difficult times, it is important to rally together and support each other in every possible way. Although we are all passionate about the sport of hockey, the strong bonds and friendships established by our players, families and overall hockey community will last long after the last puck drop. I wish you all health and happiness this year and beyond.

Sincerely,

Britt Trukenbrod
President, New Trier Hockey Club

Bill Saunders Memorial

WILL FREE

BRIAN DOLBY

The Bill Saunders Award was established in 1991 to honor the memory of Bill Saunders. Bill loved hockey and devoted countless hours to the New Trier Hockey Club. The player who receives this award demonstrates strong leadership and achievement both on and off the ice. He exemplifies good sportsmanship and respects his teammates. He is committed not only to his team but also to the New Trier Hockey Club and his school. The recipients of the Bill Saunders award for the 2019-20 season are Will Free and Brian Dolby.

Will Free learned to skate at age four and was hooked. He began his hockey career in the Winnetka house leagues, where his team won the prestigious House League Minor Mite Championship. From there Will played on various Winnetka and Falcons travel teams, winning the State Championship as a Squirt. For the past three years Will played for NewTrier Hockey and finished his career as a member of the North Central Division Champion winning New Trier Gray team. Throughout his hockey career, Will learned invaluable lessons about hockey, competition and life from a group of dedicated coaches and he learned about teamwork, friendship and trust from the amazing teammates he played alongside. Will is currently a freshman at Santa Clara University studying business.

Brian Dolby began his youth hockey career playing for the Winnetka Warriors. He moved to the Falcons as a second year squirt before playing AAA for The Chicago Young Americans for the next 4 years. He developed into a strong player and leader, wearing the C for CYA before deciding to come back to New Trier to finish out his high school hockey career. One of his best attributes has always been his ability to lead and rally the team around a common goal. He had the privilege of playing on Green for 3 years and was selected Assistant Captain junior year and Captain as a senior. Brian had the amazing opportunity to play in the PeeWee Quebec tournament which was a major highlight for him but nothing could top winning the State Championship his junior year. He was also a 4 year varsity lacrosse player, earning Captain as a senior. Brian is attending Colorado State University this fall. He will forever be tied to his hockey teammates as they are truly your second family. The memories he made will last a lifetime. GO GREEN!
The Heart of the Team Award was established to honor Ellery Stern, a New Trier hockey player who tragically lost his life in a car accident. It is designed to recognize a senior who stands out as an example of dedication, motivation, desire and courage. He is supportive of his teammates and reflects the overall values of the team and the New Trier Hockey Club. This senior leads by example, pushing his teammates to be the best on the ice, as well as in the classroom and in life. This teammate is the proverbial glue that holds the family together. The Heart of the Team recipients for the 2019-20 Season is Trevor Jones.

Trevor Jones got his start playing hockey as a 10-year-old living in Charlotte, NC. He instantly fell in love with the sport. With two ice rinks in the entire Charlotte area, it was difficult to get ice time, but he was determined to become a better player, even if it meant skating early in the morning before school started. He was one of two hockey players in his high school. Not many kids understood his love of the game, but that never bothered him. He played all levels of travel hockey before moving to Illinois and joining the NTHC. He was instantly made to feel like family by all of his NT coaches and teammates. One of his favorite moments of his high school hockey career was winning the IHSHL Championship his senior year with his Blue Team brothers.

In addition to playing hockey, Trevor was a member of New Trier’s Habitat for Humanity Student Leadership Board. Trevor is currently studying Architecture at the University of Wisconsin in Milwaukee where he also hopes to continue playing hockey. GO BLUE.

Teddy Hines’ love of hockey began at a young age, skating with his family on the backyard ice rink. He grew up playing for Winnetka Hockey Club, playing house league for many years and playing travel hockey on Randy’s teams. At New Trier, he dedicated himself further to hockey. He played his freshman year on JV, his sophomore year on Grey, and his junior year on White, meeting great friends and coaches along the way. His senior year was a highlight. He was the Captain of the Grey team and had a wonderful final season.

Teddy was on the Misericordia Junior board all four years of high school. As a junior, Teddy was a Bridge Builder and a Math Tutor. As a senior, he was a SILC for his junior year math class. He is very excited to be continuing his academic pursuits at Georgetown this year, where he is studying international economics.

Dr. Richard Renn was one of many founders of the Winnetka and New Trier Hockey Club programs. He was very involved in the successful development of these programs as well as the health and safety of individual players. This award was established in recognition of his commitment to the New Trier Hockey Club and is given to the senior who has earned the highest academic achievement while at New Trier High School. The recipient for the 2019-20 season is Teddy Hines.

Cam,

It all started with free skates at Centennial and backyard fun on our outdoor rink. Watching you grow from junior mites, Wilmette Braves travel teams, skating in the torch in Lake Placid, Stanley Cup celebrations, four years of NT hockey and being a high school all star player. You are amazing and we are so proud of you!

Captains and Assistant Captains are responsible for communication with coaches, referees and teammates. Many of the captains and assistants are placed in these positions with little or no training. In 2015 the New Trier Boys Hockey Club established the Captain’s Program. The mission is to help these players develop the skills they need to guide their teams to a great season.

The 22 Captains and Assistant Captains met 4 times last season to learn how to be a leader both on and off the ice and how to manage the potential conflicts they might encounter during the season. These sessions were run by Coaches Bobby Acri and Charlie Widmar.

Despite the COVID pandemic New Trier Hockey Players rallied together (social distancing and wearing masks) to continue an 11-year old tradition. New Trier Hockey players enjoyed a beautiful fall day scattered across the local community to raise funds in an effort to fight pediatric cancer. Players from all six teams - Green, Blue, White, Gray, Junior Varsity 1 and Junior Varsity 2 - helped to raise both funds and awareness on behalf of the Bear Necessities Pediatric Cancer Foundation. Cash donations collected at various local merchants throughout the community, as well as through an online campaign, totaled $12,730 this year. New Trier Hockey has raised a total of over $67,000 for this organization to date. The money raised will help to make Bear Hugs, and other great programs for kids and their families fighting cancer, possible across Illinois.
Thank you again to those NT Hockey families that supported our endeavor and to the local businesses which graciously allowed us to solicit funds outside of their venues.

This season, the New Trier Hockey Club and Winnetka Hockey Club resurrected a mentorship program where members of the NTHC served as Assistant Coaches within the Winnetka Hockey Club’s House League Hockey program. All total, over 30 NTHC players assisted 15 House league teams at three different age levels.

This program mutually benefited both organizations. For the Winnetka program, the benefit was coaching support as well as forming a unique bond with their High School aged mentors. Executive Director Tom Gullen added; “many of our house teams were short on assistant coaches, or needed a player who could demonstrate drills effectively. The mentors filled that void. Additionally, they were great role models for the kids.”

For the NTHC players, it was a great opportunity to give back to the program many of them grew up in. “I think the boys having another NTHC player as a partner on the teams made a big difference” added New Trier JV Coach Bobby Acri. “With players from all five teams new friendships were made. It is also a great way for the players to meet successful people in the community, leading to great networking opportunities. Also, it looks good on college resumes.”

The program will continue for the 2020-21 season and will expand to include both Winnetka and Wilmette Hockey Clubs.
Junior Varsity and McClellan Orthodontics Support Lurie Children’s Hospital

New Trier Junior Varsity Hockey Team and The Winnetka Schools collected 763 pounds of Halloween candy which were donated to the McClellan Orthodontic Annual Halloween Candy Drive. McClellan donated $1,525 to Lurie Children’s Hospital in honor of the winning team which was NT JV. Lurie was presented with a check at their annual Winter Wishes party. It is All for the Kids! A big thank you to New Trier JV Hockey for collecting and transporting the candy.

Gray Team Supports a Family at the Holidays

Shortly before Christmas, the Grey team adopted a family from Northwest Settlement House. The family included a single mom and 4 children; two boys, 12 and 8 years old and two girls, 6 and 4 years old. They bought board games, art supplies, playing cards, lots of clothes and shoes. They were excited to find a ‘Baby Alive’ for the youngest daughter! They also got sheets, towels and house supplies for the mom. Then they wrapped and labeled all the gifts while enjoying pizza and football!
White Team Banks Books
The White and Blue teams came together to support Bernie’s Book Bank, Chicago’s largest child literacy program, in their mission to support communities in need. Players each donated bags of books and spent the morning organizing and packing books. These donated books will be distributed to at-risk children in Chicago who may not otherwise have access to quality, age-appropriate literature.

Loyola and New Trier Play for a Purpose
Congratulations to the four teams from Loyola and New Trier who played in the Double Header on Saturday, December 14 at Heartland Ice Arena, and thanks to the enthusiastic fans who turned out! We are proud to announce that the four teams and their fans raised over $9,000 to benefit the cardiac care unit and Dr. Carl Backer at Lurie Children’s Hospital. Thank you for your support!

New Trier Green Supports Lurie Children’s Bridges Dance Marathon
On Friday November 1st, New Trier Green volunteered to help the Children’s Bridges Teen Board set up for their annual Dance Marathon benefiting Lurie Children’s Hospital in Chicago. It was all hands on deck to get the gymnasium at Our Lady of Perpetual Help School ready to welcome students from New Trier, Loyola, and Woodlands schools. The following day, November 2nd, they took action and participated in the event. They made a human tunnel to welcome families whose children have been treated at Lurie, including former Chicago Bear Charles “Peanut” Tillman and his daughter, New Trier classmate Olivia Sergot, and fellow teammate Preston Watt. The boys also helped move the night along by participating in a lip sync battle, playing musical chairs, playing a little basketball, and of course dancing! Green goalie, Preston Watt, gave a testimonial sharing his experiences and gratitude in being treated at Lurie Children’s Hospital at age 8 days and again this past August. The boys surrounded him on stage to show their support for him and gratitude to the doctors and staff at Lurie for helping him get back on the ice!

Warm Coat and Winter Gear Drive
New Trier Hockey Club hosted a Winter Gear Drive. They collected donations of Men’s, Women’s and Kid’s Coats, Hats, Gloves, Scarves and Warm Socks. These gifts helped provide resources to Connections for The Homeless. Thank you!

Gray Team Serves a Just Harvest Soup Kitchen
New Trier Gray has chosen to serve breakfast monthly at A Just Harvest soup kitchen in Rogers Park. Roughly 200 people are served meals daily, 7 days a week. Each month four Gray players provide a hot meal for children and adults. It’s a humbling experience for the players to cook and serve meals to people from all walks of life, who are confronted with the choice between paying the rent, putting food on the table or paying for medication. Congratulations to the Gray Team and Alison Walker for serving this organization. For more info: https://ajustharvest.org/volunteer/serve-community-kitchen/

LIAM VOYCEY # 81

What a wonderful hockey journey, from the Jr Kings in LA, to the Warriors in Winnetka, to AAA, and finally to New Trier.

You powered through setbacks with determination and took victories with grace. We have loved watching every moment. So proud!

Love, Mom and Dad
“Let me start with issuing you a challenge: Be better than you are. Set a goal that seems unattainable, and when you reach that goal, set another one even higher.”

“Resilience is accepting your new reality, even if it’s less good than the one you had before. You can fight it, you can do nothing but scream about what you’ve lost, or you can accept that and try to put together something that’s good.”

—Elizabeth Edwards

Thank you to the NTHC and the Coaches for working so hard to make hockey possible during these crazy days!

Ice hockey is an expensive sport that places significant financial demands on every participant. There are families in every hockey community, including ours, who struggle with paying the fees required for their son to play the sport he loves. One of the objectives of the New Trier Hockey Club is to ensure that no player is ever prevented from playing on one of our teams because of financial hardship.

The Goal and Assist Fund was first established in 2011, though a generous donation by Paul Banks, a former New Trier Hockey player. In 2019, the fund was renamed to honor former player and coach, Alex Pegler, who tragically lost his life in October of 2018.

Goal and Assist Fund has helped bridge the gap for many families facing financial challenges, allowing their sons to begin or continue their New Trier hockey careers. Financial assistance provided through the Goal and Assist Fund is completely confidential and is tailored to each family’s unique situation and needs.

The Goal and Assist Fund relies entirely on donations from our families and other members of our community to fulfill its mission. A contribution to the Goal and Assist Fund will help the hockey community, our Club, and possibly one of your son’s teammates.

If you would like to donate, please mail a check payable to NTHC at below address (please write “Goal & Assist Donation” on check):
New Trier Hockey Club - Treasurer • P.O. Box 176 • Winnetka, IL. 60093

If you would like to apply for a scholarship please contact NTHC President

“Playing hockey for New Trier had the greatest and most positive impact on my development as a youth. It was also the emotional bedrock that supported me through difficult times. I am grateful for what the experience did for me and I have always remembered that my participation was made possible by the generous financial contribution of an anonymous donor.” Paul Banks
