Re: Formal Consideration for the Open Board Position

Dear Current Board Members:

I would like to formally enter my name as a candidate for one of the open Board positions with Chesterfield Hockey Association.

Chris Sander  
22 Fall Flower Ct.  
Eureka, MO. 63025

I am in good standing with the club and have been involved with Chesterfield Hockey and Missouri Youth Hockey for the last 8 years. I believe that I have the qualifications and experience that would allow me to be a good leader for the Chesterfield organization. I realize the time commitment and fully prepared to commit to the full 3 years of service and beyond.

Below is a list of my qualifications and experience:

- I am a business owner and have been for the previous 27 years.
- Served as an Executive Board Member of the St. Louis Blues Blind Hockey Club.
- Served as Director of Hockey Operations for the St. Louis Blues Blind Hockey Club.
- Served as President of the Missouri Association of Mortgage Professionals.
- Former official candidate for the U.S. House of Representatives.
- Served as Head Coach of the Bandits Elite Travel Team for the last 2 years. This is at both the Bantam and Midget level.
- 5 years as Assistant Coach with both Chesterfield, Webster, and Kirkwood Youth Organizations. I was an assistant with Chesterfield at the Squirt level and Squirt through Bantam with Kirkwood.
- 3 Years of Head Coaching experience with Webster and Chesterfield. 1 spring season with Webster and 2 with Chesterfield.
- In 2018, coached the Eureka High School B-Team to the Championship with a victory over SLUH in the Vianney Christmas Invitational.
- Served as a Goalie coach for 2015 CSDHL Championship team.
- Have been a private goalie instructor for 8 years.
- USA Hockey Level 4 Coaching Certified

My family and I have been active within the Chesterfield Hockey community and have always volunteered when needed. My son Kane is still an active player with Chesterfield and Marquette High School.

My company also invested in the rink by donating the stick racks that hang outside each locker room and by informing Mark Kraus that my company would sponsor any player who, outside of their control, was unable to afford the cost to play at Chesterfield by paying all fees on their behalf.

I sincerely hope to have the opportunity to serve with the current Board members and to continue to promote and grow Chesterfield Youth Hockey well into the future.

If you have any further questions, please do not hesitate to contact me at 314-497-9646.

Thank you for your consideration.

Sincerely,
