

Detailed Information for 2022-2023 Season Apparel/Equipment (please read thoroughly prior to tryouts/ fittings)

*Apparel/equipment fittings will take place immediately following the announcement of the team in the Rink 1 Parent Lounge on the 2nd floor. Every player must be present!

*All apparel must be paid for in-full at the conclusion of the fitting and **must be paid by check payable to DSEHC**. Bring your checkbook, no credit cards accepted!! If payment is not made in-full for apparel/equipment on June 4, your order will not be placed. A \$35 fee will be charged for any returned checks.

***Come prepared for the fitting!!** You must bring shoulder/elbow pads in order to properly size the jersey, and a shin guard to size for socks. If you are wanting to purchase shells, bring your pants to try on the shells over the pants.

Jerseys

- You will need to list 3 jersey numbers in order of preference. Returning players will have seniority in number selection. **Come prepared with your player's 3 choices!** We cannot hold up the line while a player contemplates their numbers and we will not be able to change any numbers after you have listed your choices.
- Jerseys are the same Adidas jerseys we had during the 2021-2022 season. If your current jerseys are in good shape and you believe they are large enough to last through the upcoming season, you will not need to purchase new jerseys. Jerseys are \$135 each for players and \$140 each for goalies, or \$270/\$280 for the set (home/away). **There is a good chance we will change the style of one or both (home/away) jerseys for the 2023-2024 season, so if your current jerseys are in good condition and fit well, you will want to hold off on purchasing new jerseys this year.**
- Remember to bring shoulder and elbow pads to properly size jerseys.

Game Socks

- A set of Adidas game socks is included in your registration fee. The set includes home/away socks. There will be NO CHARGE for a set of game socks.
- Additional socks are kept in stock at the rink and can be purchased from Wendy Sarich throughout the season.
- Remember to bring a shin guard to properly size socks.

Rink Jacket/Pants

- An Adidas rink jacket and pair of pants is included in your registration fee. There will be NO CHARGE for the rink jacket/pants.

- To best size the jacket and pants, please have player come to the fitting wearing a pair of shorts so they can easily try on pants over their shorts and a t-shirt (no hoodies) to easily try on the jacket.
- The rink suits are customized with the player's number, so we want to be sure everyone is sized correctly as exchanges/reorders will not be possible.

Bauer Player Bags/Goalie Bags

- All players are required to have a Dallas Stars Elite logo'd Bauer player/goalie bag. These are the same bags we had during the 2021-2022 season. If your bag is in good shape, you will not need to purchase a new bag. Please check the condition of your bag before fittings.
- Replacement bags are kept in stock at the rink and can be purchased from Wendy Sarich throughout the season.
- Bags are \$125 for players and \$145 for goalies.

Bauer Custom Vapor Green Gloves

- **This is an optional purchase.** Players are allowed to wear black **or** green gloves.
- These are the same green Vapor gloves used during the 2021-2022 season. They are available in sizes 10-15.
- If you have the Dallas Stars Elite green gloves from the 2021-2022 season and they are in good shape, you do not need to purchase new gloves. Please check the condition of your gloves before fittings.
- A **limited supply** of additional/replacement gloves are kept in stock at the rink and can be purchased from Wendy Sarich throughout the season.
- Gloves are \$125. Remember this is an optional purchase and black **or** green gloves are allowed.

Bauer Re-Akt 150 Helmets

- All players are required to have a Kelly green helmet. You can purchase a Kelly green helmet from somewhere else but the Kelly green is very hard to find, so consider purchasing from us during the fitting. If you currently have a Kelly green helmet, please check the condition of your helmet before the fittings.
- We will be offering the Bauer Re-Akt 150 model helmet only. Helmets do not include a cage; you will need to purchase a cage outside of the fitting.
- A **limited supply** of Re-Akt 150 helmets are kept in stock at the rink and can be purchased from Wendy Sarich throughout the season.

- Helmet stickers are included in your registration fee and will be distributed when you receive your helmet order.
- The Bauer Re-Akt 150 helmet is \$190 and is an optional purchase.

Bauer Player Pants and Bauer Player/Goalie Shells

- All players are required to have the Dallas Stars Elite logo'd Bauer player pants or pant shells. Goalies are required to have black pants and can purchase the Dallas Stars Elite logo'd shells to go over their goalie pants.
- These are the same Bauer player pants and player/goalie shells from the the 2021-2022 season. If your pants/shells are in good shape, you do not need to purchase new pants/shells. Please check the condition/size of your pants/shells before fittings.
- A **VERY limited supply** of additional/replacement pants/shells are kept in stock at the rink and can be purchased from Wendy Sarich throughout the season. Because of the cost of pants/shells and the variety of sizes available, there will only be a very limited supply available throughout the season, so if you think you will need replacement pants/shells during the season, you should purchase during this fitting. Replacement pants/shells being available later in the season in your player's size is not guaranteed.
- If you are interested in purchasing shells, you must bring your hockey pants to the fitting to try on the shells over your hockey pants.
- Player pants are \$140-\$180 (depending on size) and player/goalie shells are \$60-\$75 (depending on size).
