It was a great turnout at Montana Mike's on Saturday for the Impact breakfast! It was so good to see our families enjoying breakfast and talking together. I also appreciate everyone who volunteered their time to help the event run smoothly. It was a wonderful morning!

The spring season is approaching quickly; we have teams with league games next weekend! I am proud of our coaches and players who have committed to working with their teams over the winter. Sessions of keeper training, skill schools, team trainings, and extra trainings have all been well attended. This hard work will pay off this spring!

A MESSAGE FROM The Director of Coaching

Many teams have taken advantage of sunny skies and turf time on Sundays.

2011 BOYS TEAMS

Thank you to the 2011 Boys' teams for helping out at the referee clinic on January 25th! They played a futsal tournament to give our newest referees some experience making calls. It was a low key, fun atmosphere while getting some good touches on the ball.

INTERESTED IN HOSTING A FOREIGN EXCHANGE STUDENT?

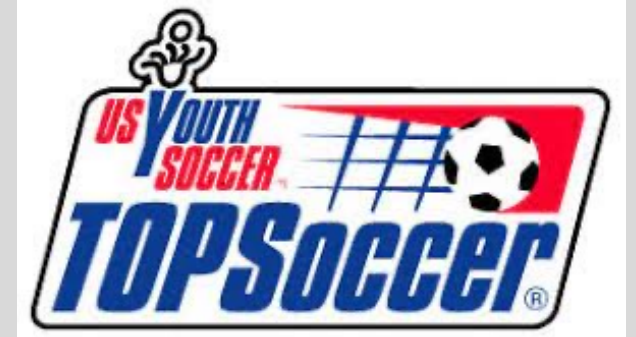

Foreign Links Around the Globe is a nonprofit student exchange agency. FLAG International has started welcoming the almost 500 international students to the U.S for the 2023-2024 school year. Students are on a J1 Visa. They arrive about one week before school begins and depart typically right after school ends. Students have their own health insurance and spending money. Students do not have to have their own room.

FLAG places students at schools across the country, so it does not matter where you live, only that you are willing to open your heart and home. Hosting truly is a rewarding experience for host families, siblings, the schools, and the community.

For more information on available students and how to apply, visit www.flag-intl.org or contact Gidget Vickers at gvickers@flag-intl.org
