The Grand Rapids Amateur Hockey Association is committed to the development of programs promoting positive, challenging experiences in youth hockey. Youth hockey is a physically demanding team sport that fosters the opportunity for children to develop healthy bodies while encouraging team spirit and fair play.

## JUST STARTING

### Learn to Skate, Cross Ice I (Ages 3-9)

"The USA Hockey Cross-ice program is based on a model of practicing and playing hockey across the ice surface as compared to along the full length of the ice surface. Smaller games allow for young/new player development."

### ADM Mite (8U)

"USA Hockey's nationwide player-development program for youth hockey associations. Mite ADM is station based practices and cross-ice games."

### Learn to Play/Cross ice 1 (Ages 4-9)

"Full ice-skating and skill development. This weekend only program teaches game play, positioning and team work."

## INTERMEDIATE, HOUSE HOCKEY

"Recreational hockey. The emphasis of the House Program is on fun, skill, development, team play, and sportsmanship. Equal participation for each player."
