

# OWBC 2020-21 Season COVID Safety Plan

## ALL PHASES

- Coaches will wear masks at all practices and games
- Players will wear masks as directed by OWBC Phase and state/local/facility mandates
- **\*Any state/local/district/facility policies or mandates that are MORE restrictive than the current Phase will supersede OWBC Safety Plan\***
  - This means that we may be in a phase that allows something, but if the facility we are in does not allow it, that takes precedent.
- Teams should avoid huddling to talk and should not “call it up” by putting hands in to start or end practice - maintain space when talking as a group
- Player will bring their own ball, water bottles, and towels
- Players place bags and get changed in spots 10 feet apart from each other
- Maximum of 10 players per court (maximum of 12 for grades 3-4-5)
- Maximum of 2 adult coaches per court
- OWBC will have hand sanitizer available that all coaches and players should use prior to entering the gym
- **FAMILY EXPECTATIONS: FAMILIES PLEASE READ**
  - Parents/Families are expected to do a wellness check prior to sending players to practices or games, including checking temperatures.
  - Players who test positive for COVID-19 or who have been exposed to COVID-19 are expected to follow quarantine procedures as outlined by Winnebago County Health Department and not attend OWBC events until those timelines are done.
  - OWBC will have a thermometer on-site to check players who are suspected of illness. Players with any illnesses or displaying COVID-19 symptoms will be sent home.
  - Coaches will have cell phone numbers for parents of all players and parents are expected to be available to pick-up if necessary
  - **We will have zero-tolerance for families sending sick players to practice/games. This WILL result in consequences up to and including removal from the club, depending on the severity of the incident.**
- Violations of safety plan by players or families will lead to disciplinary measures which may include suspension or removal from the club
- In the event of cases/exposures among players/coaches on a specific team, OWBC Board may take action to suspend practices/games for that team for an indefinite period
- All measures are subject to change based on most recent information and state/local health department guidance

## Phase 1

- Masks are required for all players and coaches
- Practices are Skill Based Only
  - Shooting, Ball handling, Conditioning
- Teams will be split in half during activity (example: team of 10, 5 at each hoop)
  - **\*\*These groups should stay the same for duration of practice - do not have players mix between groups\*\***

## Phase 2

- Masks required grades 6-8, optional grades 3-5
- Practices may include the following:
  - Individual shooting and ball handling
  - Full Group non-contact drills
    - 5v0 drills, team shooting/passing drills, etc.
  - Small Group drills with contact/competition
    - Split into groups at each hoop (as you did in Phase 1)
    - 1v1, 2v2, shell drill, etc.
    - Do not mix players between groups

## Phase 3

- Masks optional for all players
- Practices may include full group competitive situations with contact
- Teams still encouraged to maintain space and avoid close interactions whenever possible during drill work

## Phase 4

- Teams may compete with other organizations - leagues, tournaments, scrimmages, etc.
- Specific guidelines for what types of competitions will be allowed will be determined by the OWBC Board
