Additional Meeting minutes

Suggestions were made from the year and here are some of the notes.

- 1) Everyone committed to another year on board with only Ryan Klug (social Media) ending his term.
- 2) it was suggested that we move to three-year term instead of two
- 3) It was determined that the preseason youth camp should stay the same with 2 nights of Coach Joe and two nights of youth coaches.
- 4) It was determined and discussed that we need a new DIBS system and should have someone focused on this.
- 5) IT was determined that we need a list of all Dibs events. Should go along with signup genius.
- 6) We discussed the idea of a communication director for youth but after a discussion on process determined this would be confusing.
- 7) It was discussed to break the apparel job into two parts, one retail and one internal and have a person for each.
- 8) It was also determined that events was a large job and with a transition in this area we are going to add to people
- 9) We discussed a football coordinator that would work to have meetings with other youth sports to reduce conflicts.
- 10) Discussion on camps - 7v7 and other extras.
- 11) Lots of discussion about the 2026 Calendar and the youth sport actually starting a week before varsity to get a complete schedule on the backside of the season.

Close Meeting/ Motion to Adjourn
