How The Day Will Work

1. Your player will sign up through the NR Soccer Club's website at www.nrsoccer.com. Follow the link on the home page to register your player. Players do not sign up as a team but as an individual player.
2. Your player will then be scheduled to play multiple games with different teammates in their age group. We will separate boys and girls but may combine age groups so all players interested are able to play. Scoring is based on how your player does in each game, not as a team. We will work to keep your player in a 4 hour window of playing time.
3. Scoring system is 6 points for a win, 3 points for a tie, up to 3 points for team goals scored, and 1 point for a shut out. For example if your player wins their first game 3-0 all 3 players on their team receive 6 points for winning, 3 points for goals scored and 1 point for a shutout, so 10 points for all 3 players. The next game your player will have different teammates and the results of that game will be added to all 3 players on the team. We will track individual point totals for this event.
4. Throughout the day we will have skills opportunities for your player to earn bonus points! Earn 2 bonus points for each item your player brings in for the food shelf to kick off the day. Maximum of 10.
5. Players with the most points in their group will win fun prizes!
6. Concessions available for purchase. Please no carry in food or beverages.

Items to donate to the Food Shelf:
canned fruits and vegetables, peanut butter, canned fish and meat, oils and dressings, brown & white rice, Kleenex, paper towels, toilet paper, dish washing liquid, laundry detergent, shampoo, and bars of soap.
