Picture Day – Is scheduled for June 21st at Athletic Park. We have set up 8 dibs sessions for pictures and plan on adding 4 more dibs slots for that night. Bri will also bring extra clothing and apparel to try to sell for picture day.

Discussion took place regarding working concessions for the Chaska Cubs games. We discussed sending an email next year to lay out expectations for working the concessions stands.

We also discussed having better communication for our 12-year-old teams with all of the things they do for their 12-year-old season with out of state tournaments and fundraising.

Fall Ball Update – We received 76 total responses and 69 of 76 respondents said they would be interested in playing. There could be a possibility of having a skill development practice one night a week and a game on the weekend.

Tate mentioned that the City has a T-ball program for 4, 5- and 6-year olds. They have had good response with sign-up.

Further discussion regarding State Amateur Tournament concessions logistics.

Tate provided an update on some grounds issues. The City is moving forward with the new batting cages at Sunset with money from last years Cooperstown money and donations from Southwest Christian.

Eric and Ericka are going to work with our new Point of Sale software for the apparel sales at picture day. This software also allows us to take donations for the Baseball Association.
