

Covid-19 and Mask Policy

OUTDOORS

Every Player is expected to wear a mask upon arrival at the facility, while waiting for admittance, while going to/from the designated training area and while waiting on the sideline/bench. In addition, social distancing of 2 meters is required during these situations.

All Coaches must wear a mask and keep social distances of 2 meters whenever possible. This will role model correct behaviour for our Players.

Coaches are responsible for ensuring their players wear a mask and keep correct social distances.

If a Player or Coach does not have a mask one will be supplied by TSC, if available. In the case that a mask is not available entry will be refused for that Player or Coach.

TSC has a limited supply of masks and we ask all participants to have their own mask.

Players have to mark their attendance and **fill out the Covid-19 assessment** via the **PlayMetrics App**

You can look up the most recent information how to use face coverings properly [here](#)
