

REVOLUTION UNITED
BASKETBALL

END OF THE
SEASON
TOURNAMENT

COURTS & GAMES

All players need to be at the court at game time, each game is designated a 30 minute time slot. Please clear the court immediately after the game so the next team can begin. Please carry your playing sneakers into the gym to reduce slips and dirt on the gym floor.

RULES AND OFFICIALS

The rules need to be followed and enforced for safety reasons as well as consistency throughout the season. The players need to experience consistency in order to learn the game and to be able to focus on their skills. Please read the rules carefully as some rules may have changed. If you have disagreements with the rules or a call, as a parent or coach, please take it up with your coach or Revolution United after the game, and after waiting the "24 Hour Rule" period- never on the court or during a game. Disagreements at a game create a poor example of sportsmanship and can confuse and upset the players. If a rule seems unfair and should be adjusted to better accommodate the players we can make adjustments for next year or during the season if it is crucial. As a community we are all here for the children who just want to play and have fun. A volunteer player, parent or coach referees most of the games, please keep that in mind.

2025 Recreation Basketball Tournament Rules and Guidelines

General Rules:

- Unless stated otherwise, we will be using NFHS rules.
- Jewelry is prohibited (including earrings, necklaces, watches, rings, bracelets, etc.)
- Players are required to wear non-marking sole sneakers with ties. Please carry in sneakers.
