***Per the YSP Agreement:***

***Communication***

*For the purpose of eliminating confusion or duplication of services, each YSP shall designate up to two (2) individuals from the Board of Directors of the YSP, one individual to serve as the main point of contact and the second to serve as an alternative point of contact. All communication with CCPR must be made through these designated representatives. YSP members such as coaches or parents requesting facilities must go through their respective YSP representatives. Attempts to schedule facilities by persons other than the designated YSP representative(s) will be declined.*
