

FRIENDSHIP

THAT MAKES A DIFFERENCE

Our Mission is to enhance the lives of children who have disabilities and special needs and the High School athletes who mentor them.

AFK serves children in 1st through 12th grade who have disabilities and different needs of all kinds. Each child is carefully matched with a qualified high school mentor who commits to building a genuine and supportive relationship.

“Jake is fantastic with my son. Always so positive, patient and a great friend. He has taught my son how to be a leader through example.”

-Buddy parent

“Being a mentor has given me an opportunity to have an impact on someone’s life and be able to watch that impact over a few years. It’s been a special experience that I would do all over again, and I’ve gained a lasting friendship for life. I’m grateful that AFK exists and encourage everyone to become a mentor..”
