GIRLS HOCKEY

Premier Girls Hockey Program – 8U/10U/12U/14U/16U NIHL

Spring 2022 Program – Register NOW!

What Chiefs Girls Hockey is All About

Our Mission

The Chiefs Hockey Club is a family oriented, not-for-profit organization with the primary purpose of enriching the lives of member families through youth ice hockey. The Chiefs Hockey Club is a hockey community where love for the game is experienced across players and families. Our AA Girls Hockey Program consists of players who love hockey and look forward to coming to the rink. We create a positive and motivating environment for our female athletes where they have fun competing at a high level. The spring program involves clinics with the primary focus of improving hockey skills in the off season, while understanding the need to maintain balance with other spring sports.

Our Results

The 2021-2022 season was our 4th year fielding all-girls teams. We had teams at the 10U, 12U, and 14U level, all of which were competitive. Our 10U team finished the season with tournament wins in Wisconsin and Tennessee, earned the prestigious NIHL Presidents Cup for the best regular season record, and are heading to the NIHL and AHA! playoffs with an overall record of 29-1.

Our Coaches

Girls Hockey Program Coaches at all levels have extensive hockey experience. Several coaches grew up playing AAA hockey, junior hockey, and/or college hockey and they are all are USA Hockey Certified. Our coaches create a positive and motivating environment for our players where they compete at a high level while learning the game of hockey and playing with teammates that become life-long friends. The coaching staff is led by experienced AAA Girls Hockey Director and Head Coach, Bruce Turpin.

Home Arena

The Chiefs Hockey Club skates out of the Edge Ice Arena in Bensenville, Illinois.

Spring Program Details

- Season: April 1st – May 31st
- Registration fee is due, via credit card, at the time of registration.
