Dear Community Member,

In terms of registration and participation, soccer is the most popular sport in Canada. The Greater Sudbury Soccer Club (GSSC) is quickly growing and has gained recognition throughout the province for the past 9 seasons. It is the only soccer club to receive Ontario Soccer's Silver Club Excellence Award in Northern Ontario.

GSSC offers developmental programming to boys and girls aged U4-U12. Furthermore, the Club fields competitive teams aged U13-U21, which represent Sudbury in various leagues and tournaments across the province. In summer 2019, GSSC had 8 competitive teams, as well as close to 30 developmental teams. This amounts to over 600 players in our community!

GSSC strives to keep fees affordable so that all players can have the opportunity to play, regardless of socioeconomic status. However, the Club still needs assistance to help reduce the financial burden of administration costs, equipment purchases, league fees, referee fees, and other soccer-club related expenses.

Any help your company can provide would be greatly appreciated. We have different sponsorships packages ranging from \$250 to \$5000. The funds truly go a long way in helping the youth in our community continue to play the game they love!

Yours in soccer,
