II. WHAM OVERVIEW

A. WHAM's Mission

WHAM is a tax-exempt, non-profit, recreational hockey association open to all women ages eighteen (18) years and older. **Our mission is to deliver the BEST overall experience in Minnesota for women at all levels of hockey.** WHAM recognizes and encourages participation for members with a broad range of commitment and ability -- from the true beginner to the elite, Olympic-caliber athlete. WHAM strives to provide organized, challenging, instructional, fun and affordable recreational ice hockey competition. WHAM's hockey experience offers opportunities for women to socialize and improve fitness, while promoting the values of teamwork, good sportsmanship, and mutual respect.

B. Goals

We strive to deliver the best overall experience in the market for women **at all levels** of hockey! The WHAM Board works to foster a competitive and evenly matched landscape within divisions for all players with primary emphasis on having fun as teams!

C. Policies

The Women's Hockey Association of Minnesota (WHAM) is the "Organization." Both terms ("WHAM" and "Organization") will be used interchangeably throughout. The WHAM Handbook consists of the rules, policies and procedures pertaining to our league, including:

- **Operating Rules.** The Operating Rules (the "Rules") cover everything from registration to skills assessments to on-ice play to the WHAM Tournament. The Rules are enforced by the Board of Directors of the Organization (the "Board"), and all members of the Organization are responsible for knowing the Rules and complying with them. In some cases, noncompliance can result in a monetary penalty, game forfeiture(s), or suspension from the Organization.
- **Bylaws.** The Bylaws govern the Organization's structure and operations.
- **WHAM Evaluation Metrics.** Membership retention, division growth, overall member satisfaction.
- **Conduct.** All registered teams shall operate within the Operating Rules and the Bylaws of WHAM. Any team, or any individual member of a team, may be subject to disciplinary action (e.g. fines, probation, dismissal, etc.) from WHAM, as determined by the Board for non-payment of fees, gross violations of rules, and/or inappropriate conduct as determined by the Board as necessary.

D. Affiliate Association

The Organization is recognized as an affiliate of Minnesota Hockey ("MH") and as a member of USA Hockey ("USAH"). All members of the Organization are required to pay annual dues to both MH and USAH as a condition of membership in WHAM. As an affiliate association, members of the Organization receive additional benefits and opportunities offered by MH and USAH.

E. Website

WHAM's website can be found at www.whamhockey.org. The Organization's website is the property of the Organization. All names, logos, trademarks, service marks, brand identities, characters, trade names, graphics, designs, copyrights, trade dress, and all other intellectual property ("Content") appearing on the Organization's website, is the property of, or used with permission or under license by, the Organization. Any member of the Organization may not copy, distribute, modify, transmit, reuse, re-post or otherwise display the Content for public or commercial purposes without the prior expressed written consent of the Organization's Board.

F. Logo Use

The Organization's logo is the property of the Organization. Use of the logo is not permitted without the prior expressed written consent of the Organization's Board. Companies, individuals or Organizations that wish to use, reprint, reproduce or display the Organization's logo on electronic media (e.g. websites), written material (e.g. brochures, posters, letters, flyers) or products (e.g. apparel, bags, trophies, plaques, promotional items), must obtain written consent from the Organization's Board prior to doing so. To request approval, complete the Organization's *Logo Use Application Form* available at www.whamhockey.org.

G. Privacy

WHAM will not share your name, address, phone or email address without consent. Any information you provide is held in strict confidence. We collect this information only so we can contact you with relevant WHAM information related to scheduling, registration, and or WHAM sponsored communication or events. Members of WHAM are not allowed to use or share information received by managers or found on the WHAM website for any communication that is not approved by WHAM. **Absolutely no solicitation is allowed among members for personal use.**

H. Insurance

While USA Hockey provides some level of insurance to all registered coaches, players and managers, Members should understand that participation in WHAM is at their own risk of injury. USA Hockey Insurance includes general liability, catastrophic medical and participant (excess) accident, subject to the exclusions, limitations, deductibles and terms of USA Hockey's insurance policies. These insurance coverages are in effect while participating on a USA Hockey registered team during and in a USA Hockey sanctioned event. (If a member is injured during a USA Hockey sanctioned event, the member and team manager should consult the division commissioner about the process to access USA Hockey Insurance.)

III. OPERATING RULES

A. MEETINGS/HANDBOOK

1. Meetings

- **Board of Directors.** WHAM's Board meets regularly throughout the year. Attendance at these meetings is required for all voting Board members. The Organization's members are welcome to attend these meetings. Other meetings may be called as necessary. Contact the WHAM Secretary for meeting information. All meetings times, dates and locations are listed on the Organization's website (www.whamhockey.org).
- **League.** The Organization holds one formal league meeting during the course of the year: a Fall meeting which includes upcoming season scheduling, previous season recap, upcoming season information and voting for open board positions. The meeting is held live in person and each team is required to have at least one (1) representative for the team in attendance at this meeting. Those individuals deemed Team Managers will be the central contacts for these meetings so it is critical WHAM has contacts for each team updated annually.

A fine of \$50 per meeting is levied if a team does not have a representative for the team in attendance. The Board reserves the right to charge late fees equaling 10% of the outstanding amount if unpaid after 30 days from the date of notification. One (1) person may represent only one (1) team at the Fall Meeting. A fine of \$100 will be levied if a team attends scheduling without a confirmed ice schedule for the upcoming season. Additionally, teams will be required to schedule their own games with team managers in their division following the scheduling meeting and then submitting schedule to league admin by required due date for referee assignments.

- **Division.** The Division Commissioner and/or Vice President can call meetings as necessary.

2. Handbook

The WHAM Handbook is available on the website and can be downloaded and printed as needed. Each year final revisions will be posted by **August 15th**. The Team Manager or Coach is advised to print the Handbook and review with team members. If there is a question about any rule or situation, refer to WHAM's Operating Rules in this handbook first. The most current version of the USAH Annual Guide and Official Rules, which contain additional information on rules, tournaments, etc., is available on the USAH website.

B. TEAM DIVISION CLASSIFICATIONS

1. Divisions

The league will be comprised of the following divisions:

- A Level: A1 and A2 divisions – former collegiate, highly skilled
- B Level: B1, B2 and B3 divisions – former high school experience, youth experience, advanced skills
- C Level: C1, C2 and C3 divisions – beginner through intermediate

2. Subdivisions

Any division may be divided into two or more subdivisions when there are fifteen (15) or more registered teams. Teams will be placed in a subdivision based on their previous season's records and other criteria as may be determined by the Board. New teams moving up or down into the division will be placed by random drawing in a subdivision to evenly balance the number of teams or otherwise. The number of games played will be determined by a majority vote of the teams in the affected division, with each team in the affected division receiving one (1) vote. Ties will be broken by a Division Vice President who does not have a conflict.

C. PLAYER PLACEMENT / ASSESSMENT GUIDELINES

NEW TO WHAM MEMBERS. Players registering with WHAM for the first time may enter the league in one of three ways: (1) according to prior hockey experience, (2) via a WHAM assessment, or (3) by participating in Development Hockey 101.

1. New to WHAM Players with Prior Hockey Experience

You may register based on your highest level of hockey experience according to the list below. If you follow the Experience qualifications below, **YOU DO NOT NEED TO ATTEND AN ON-ICE SKILLS ASSESSMENT.** For example, a player with both varsity high school and Division III collegiate experience must register with the division of her highest experience, which is DIII experience.

<u>Experience</u>	<u>Division</u>
Division I Elite+ (invitation/evaluation to participate)	A-Elite
Under age 30 (as of 9/1): DI & D3 College	A1 Division
Age 30 and older (as of 9/1): DI & D3 College, U19a, or Varsity high school*	A2 Division or higher
Junior Varsity High School*	B1 Division or higher

2. New to WHAM Players NOT Meeting Experience Qualifications Above OR Challenging the Experience Qualifications

All New to WHAM players NOT meeting the experience qualifications above must attend a WHAM-sponsored on-ice skills assessment to determine appropriate division placement. This includes former high school /college goalies desiring to skate out at another level.

Any Player desiring to play at a lower level (than dictated by the chart) may appeal the rules by attending an on-ice skills assessment. Assessments are generally scheduled from June through December of each year. See the WHAM website for dates and locations. Following your assessment, if you have questions about your results, feel free to contact the League Administrator: Leagueadmin@whamhockey.org.

3. If you are new to Hockey

In lieu of attending a skills assessment, new Players with minimal to no hockey experience are invited to register and participate in a WHAM-sponsored Hockey 101 development clinic. Players who satisfy the participation requirements of the clinic are provided a WHAM Division Classification and may register at that division or higher.

ALL NEW MEMBERS

Probation: All new players are on probation for the first season of membership to ensure placement at the correct level. The player's skills may be reassessed prior to the next season, and the player may be reassigned to a more appropriate division.

Appeal: If a new player disagrees with her assessed level, she is welcome to appeal by attending a second on-ice assessment.

WHAM Board Discretion: The Board retains the authority to move Players and teams between divisions as needed.

4. Returning / Previously Registered Players

- Returning Players. All returning Players must register in the division in which they last played (or higher) for their primary team.

NOTE: **Beginning with the 2017-18 season**, the opportunity to move down one division based on the Player's age is no longer sole reason for movement. All players must apply to move down via the following process:

- Players Requesting to change divisions. A current WHAM Player may appeal to move down one level by **completing a written Skills Assessment application** and submitting it to the assesscomm@whamhockey.org committee for approval. Refer to the WHAM website for more details.

- If approved to move down one level via Skills Assessment written application process, **Player may NOT roster with a team in the division she is moving down from for a period of one season.**
- If you do not go through the proper channel of approval you will be considered an illegal player in that division and your team will be subject to the penalties associated with an illegally rostered player.

5. Probation Period

All newly assessed or reassessed Players are subject to a one-year probationary period wherein the Player's skills may be reassessed prior to the next season, and the Player may be reassigned to a more appropriate division or required to return to her original division.

6. Board Discretion

The Board retains the authority to move Players and teams between divisions as needed.

D. REGISTRATION

1. Member Registration

All Members must register prior to participation in WHAM games. On-line registration for the current season is available via the WHAM website on or around September 1 of each year. Current and new WHAM Members have until January 31 to be added to a roster with a team or join the New Player Pool or Sub-goalie Pool. After January 31, all rosters are frozen and no new players may be added.

- League Fees. WHAM membership fees are set annually by the Board. Minnesota Hockey ("MH") and USA Hockey ("USAH") set their own fees each year. The fee a Member pays when registering is the total of three (3) fees to the following Organizations:
 - Organization. The fee paid to the Organization covers game scheduling fees to district referee schedulers, purchase of goalie equipment for use by teams, promotional materials, score sheets, mailings, room rentals and other administrative expenses.
 - USA/MN Hockey. The fee paid to USAH/MNH covers insurance, directories, administration, promotion, rulebooks, coaching and referee programs, development camps, USAH Magazine, etc.
- Changing Teams after Registration. No Player already listed on a team roster may change teams after the Organization's announced first day of league play without approval. Follow procedures below.

- Deadline and Procedure. The deadline for changing teams is December 31 of the current season. To process a change: Contact your Division Vice President and Division Commissioner. Please present a written release from the existing team manager and written acceptance from the new team manager. The Division Vice President will approve or decline and inform the player in writing. If approved, the Division Vice President will inform the Organization's League Administrator who will make the changes to the rosters if approved. The Player may not participate on the new team until her name appears on the website roster as listed on the Organization's website.
- Former players returning to WHAM. Must register at or above the level the player was last registered – no assessment is required. If the player wishes to move down that player must complete the Skills Assessment Committee (SAC) written application and obtain approval from the SAC prior to registering for a lower level team or attend an on-ice skills assessment.
- Movement Upward Only. Once registered, a Player may only move upwards in level during a season. For example, a Player may move from the C1 Division to the B3 Division once the season has started, but such Player may not move from the B3 Division to the C1 Division. Once the Player moves up a level, the Player must finish the year at the higher level. (With regards to a Nationals-bound team, a Player must play in at least ten (10) sanctioned league games or tournament games to be eligible for the National tournament.)
 - New to WHAM Players shall receive special consideration with regards to downward movements. These players should contact the Skills Assessment Committee (SAC) for guidance. In any event, no downward movements shall be made without SAC approval.
- Financial Obligations. A Player cannot transfer or join a team if she has any financial obligations to her previous team. The Team Manager shall notify their Division Commissioner in writing regarding a financial obligation. A list will be maintained by the Secretary. Disputes will be settled by the Vice President of the Player's division, except when there is a conflict of interest or lack of resolution, in which the Board will resolve the dispute.

2. Team Registration

- Team Declaration Deadline for Current Season. The deadline to declare a team's intent to play in WHAM for the upcoming season is **August 15th**. (In order to register a team, the team must have no outstanding debts to the WHAM league.)
- Two Team Managers. By September 1 of each year, teams shall provide to the division commissioner the name, mailing address, phone number and email for two (2) contacts. Only the Team Manager's email addresses will be available on the Organization's website. If any contact information changes, Team Managers must inform their respective Division Commissioner immediately.
- Team name. The team name must be uniquely different from existing names; for example, there cannot be a "Penguins" and "Penguins II". All new team names or

name changes must be approved by the Division Vice President and approval should be obtained prior to ordering jerseys.

- Team Roster Limits/Requirements.
 - Roster minimum, prior to the team's first game of the season, must contain 10 skaters and a goalie. At no time, may the roster exceed 20 Players. No more than twenty (20) Players may dress and participate in a game (Coaches and Team Managers who are not Players are not included in these limitations).
 - Rosters are limited to four (4) "Secondary" team Players. Goalies do not count toward that limit. ("Secondary player" is defined as a member who chooses to roster on two teams, according to the "dual roster" rules and guidelines in Section F below.)
 - Each team must declare and roster at least one (1) goalie. The team's rostered goalie(s) must play goalie in a majority (more than half) of the team's games (e.g. teams may not rely on the sub-goalie pool for primary goaltending duties). There is no limit to the number of goalies that a team may roster.

- A Division roster limits:
 - A1 teams are limited to two (2) former A-Elite Players who meet drop down rules (see Section 3c). All A1 teams are permitted to add new collegiate players under age 30 (D1 or D3) to their rosters as needed.
 - A1 players currently registered in A1 may play up to A-Elite if invited to do so. Their A1 team is considered their primary team in this situation.
 - Existing A2 rosters may not add players with D1 or D3 college experience unless the player is 30 years of age or older. Any former D1 or D3 skaters under the age of 30 who rostered and played the 2013-2014 season at A2 are "grandfathered" and may remain with the team.

- Teams Changing Divisions. A team may request to change divisions only after the end of the season. The Team Manager must notify both the old and new Division Commissioners of its intent to play in the new division by August 15th.
 - If a team wins its division's league and/or the WHAM Tournament or is otherwise considered a dominating team in their division, the Board retains the authority to move the team to a higher classification.
 - If a team has lost eighty-five percent (85%) of its games in a season, the team may petition the Board, prior to the Board's regularly scheduled August meeting, to move the entire team down one (1) level by presenting a roster of all players moving down with the team to the WHAM Board for approval. All

new Players will be approved before being adding to the roster and the entire roster will be monitored by the WHAM Board for that season. At the Board's discretion, individual skills assessments and consultation with the Division Commissioner may be required and the team will be on probation for the upcoming season to determine if the division change was appropriate.

- Board Authority. The Board retains the authority to move teams within divisions as appropriate.

New to WHAM Players New Skater / Sub-goalie Pool:

First year WHAM members have the opportunity to join the New Skater Pool. Rostered teams may ask these Pool Players to participate in games on an as-needed basis. This is a good opportunity for teams to "try-out" New to WHAM skaters for their permanent rosters or to assist with a game when shorthanded. This also helps the Skills Assessment Committee to determine correct division placement.

- Pool opportunity is only available to first year WHAM members. Approval from the Skills Assessment Committee may be granted for a second year on a limited basis. The intent of the Pool is to assist new members in finding teams and should not be considered an alternative to rostering with a team.
- Pool is not available for returning WHAM skaters.
- There is no limit to the number of games that Pool players may participate in. However, Pool players are not able to participate in post-season play unless rostered on a team prior to January 31.
- Using a skater from the Pool does not count towards the dual roster limit of 4 per team, as player is not rostered with a team.
- New to WHAM goaltenders may join the Sub-goalie Pool and sub at her assessed division and higher in any WHAM regular season game.

3. Team Manager & Treasurer Responsibilities/Duties

- Teams Managers are responsible for making sure all team members appear on the team's official website roster prior to participation in any Organization-related practices, games or tournaments. Rosters will appear on the WHAM website so managers can verify the status of the team's roster at all times. Each team manager should print a copy of their official website roster and make available at every game in case the eligibility of a Player or Coach is questioned. ***Team Managers are responsible for making sure that only eligible, rostered Players and Coaches are on the ice or bench during all league games.***
- Team Managers will receive key communications from WHAM. It is the responsibility of the Team Managers to share this information with the members of their respective team.
- Team Treasurer is defined as the team member who manages team payments for referee fees and WHAM fees due to scheduling changes, etc. WHAM requires one

contact per team to provide address, email, and phone. A manager may also have this duty for her team.

E. ELIGIBILITY

1. Eligible Player or Coach

Women eighteen (18) years of age and older as of the current hockey season (“Player”) may roster on a team within the Organization.

A Player or Coach who is properly registered with the Organization, MH and USAH, and appears on his or her team’s website roster as listed on the Organization’s website, is eligible to participate in the Organization-sponsored practices, games or tournaments (an “Eligible Player” or “Eligible Coach”). All team members who are eligible to be on the ice or in the bench area should have photo identification available at all games, including the WHAM Tournament in the event such Player’s or Coach’s identity or eligibility is questioned.

2. Illegal Players or Coaches

If a team participates with a Player or Coach who is not an Eligible Player or Eligible Coach (an “Illegal Player or “Illegal Coach”), the team will forfeit all games in which the Illegal Player or Illegal Coach participated. The team (or the Player) may also pay a \$250 fine for the use of an Illegal Player or Illegal Coach as determined by the Board. For a second offense, the team may be expelled for the remainder of the season or indefinitely per WHAM’s discretion, and its games recorded as forfeits for the season.

3. Non-US Citizens

Each year, all non-US citizens playing and registering with USAH must complete the *Canadian/Foreign National Transfer Form* located on the Organization’s website as part of the Player’s registration, except for those Players who have a permanent transfer in place. The *Canadian/ Foreign National Transfer Form* must be sent to the Registrar as a part of the Player’s registration process. The *Canadian/Foreign National Transfer Form* may be scanned and emailed to the Registrar at registrar@whamhockey.org, or mailed to the Registrar’s attention at the Organization’s address listed on the Organization’s website. For more information regarding permanent transfers, please contact Kim Folsom at kimf@usahockey.org. This must be completed before the Player can participate in any WHAM affiliated games, including regular season, tournaments, etc.

F. ROSTERING - PLAYERS

Each player may roster and play with one primary team within WHAM, except as otherwise noted below.

Returning players must register at their previous primary level of play or higher. A player may change divisions based on the following criteria:

- Players may move up at player discretion.
- Former WHAM players returning to WHAM must register at their last level or higher. Should the player desire to participate at a lower level, she must seek approval by either (i) attending an on-ice assessment or (ii) completing a written application to the Skills Assessment Committee.
- Players of any age may petition the Skills Assessment Committee for approval to move down via written application.
- Players may choose to play on two teams: “primary team” in the lower division and “secondary team” in a division directly above the “primary team” – according to the Dual Roster criteria below.

1. Dual Roster

A Player may participate on two teams via the “Dual Roster” rule. Dual roster allows a player to roster on her “primary team” and a “secondary team” (a division directly above the primary team). A Player may not roster on two teams within the same division. Additionally, a Player may only dual roster in adjacent divisions. (For example, a B3 player may dual roster with a B2 team, she may NOT dual roster with a B1 team).

2. Rostering as a Player (skater or goalie) on a “Secondary” Team.

- A Player may roster and play on one “Primary” and one “Secondary” team according to the following criteria:
 - The Player must have participated during the previous WHAM season. (New to WHAM members must play one season at the primary division before joining a secondary team.)
 - The spirit of this “dual roster” rule is not to be overlooked: This is an opportunity for Players to skate more or improve their skill at a higher level and for teams to supplement their rosters. WHAM reserves the right to ask a dual-rostered player to leave her primary (lower) division team if she is a standout player in the secondary (higher) division. **“Standout”** is deemed by WHAM to mean a player who excels in the division in stats or on-ice performance compared to other skaters at that level. As always, WHAM reserves the right to assess/reassess players at any time.
 - If the player petitions to drop down one level for their primary team, they may not play up as a secondary player in the division they requested to move down from (New Rule starting with the 2017-18 season).
 - The Player is eligible to participate fully or as sub player on both (primary and secondary) teams including the WHAM Championship Tournament. Resolving schedule conflicts for all regular season and Tournament games is the responsibility of the teams involved and affected Player.
- **Goalies** may dual roster and also participate as a sub-goalie in the primary division and higher.

3. Players who are both a goalie and a skater

A Player may “dual roster” at both positions according to the following criteria, and only if all provisions of the dual roster rule above are met.

- A Player may roster with two teams as a **skater**, and the same Player may roster with two additional teams as a **goalie**. (Example: player may roster as a goalie at C1 and B3, and a skater at B2 and B1.)
- The Player must qualify to participate at the level in which the Player rosters for each of the two (2) positions (goalie and skater), either by assessment or previous experience classification.
- The player may not roster on two different teams within the same division, regardless of position.
- As a goalie, the Player is eligible to participate in the sub-goalie pool and substitute for other goalies at the level of the goalie’s primary team or higher.
- If the Player qualifies for the WHAM Tournament for more than one team, the Player may participate on all of her rostered teams only as the schedule allows with no special accommodations requested by the Player or teams.
- For the WHAM Championship Tournament, the Player must participate in the position for which she is rostered during the regular season. (Section J)

G. ROSTERING – COACHES/MANAGERS

1. Coaches

Teams are encouraged, but not required, to have a Coach. In the interest of improving coaching at all levels, Coaches are encouraged, **but not required**, to complete Levels one (1) and two (2) of the USAH Coaching Education Program (“CEP”). Clinics are sponsored by MH and are typically held in the fall. Registration and announcement of clinic dates can be found on the MH website (www.minnesotahockey.org).

Coaches only pay and register with USAH once per season. Coaches who coach on more than one (1) team need to be on the website roster for EACH team. A Coach may not participate with the team or be in the bench area until his/her name appears on the official website roster for that team. Teams are limited to a maximum of 4 coaches rostered per team.

2. Team Managers

Team Managers who also wish to be on the ice or in the bench area must register either as a Player or as a Coach. Only persons who appear on the team’s online roster are allowed on the ice or in the bench area. USAH’s goal is to keep persons who are strictly Team Managers (e.g. bookkeepers or schedulers) off the ice since these persons do not pay the USAH fee and are not covered by USAH liability insurance.

H. ROSTERING – TOURNAMENT GUIDELINES

The following information is for rostering for tournaments, other than the WHAM Year-end league Tournament.

1. Creating the Roster

Teams that choose to participate in USAH sanctioned tournaments will need to credential and submit a roster to the USAH associate registrar two (2) weeks prior to the tournament. Players and Coaches may register with another team in their division or a higher classification for invitational tournament play during the Organization's season. Only Players and Coaches who are already USAH-registered may re-roster for tournaments.

2. Roster Eligibility

Two (2) types of Players may be added to a tournament roster:

- Participants who already play within the Organization but on another team/division. For this situation, please indicate all participants to appear on the tournament rosters, including Coaches. To expedite the process, alphabetize by last name. If a participant has a common name, please include the participant's date of birth.
- Participants who do not play in the Organization. For this situation, the participant must either register with MN and USAH or provide proof of registration, and the participant must present the proper credentials to the Registrar. Individuals can register online at USAH. Proof of registration can be obtained from league or association administrators by request or by providing a previously registered (PR) number. Please include this number for non-Organization individuals when submitting the tournament roster.

3. Submitting the Tournament Roster

In order to produce a revised roster, the team must submit to the Organization's Registrar (registrar@whamhockey.org) at least two (2) weeks prior to participating in the tournament:

- Name and dates of the tournament;
- List of participants comprising the tournament team; and
- USAH PR number for participants not currently playing in the Organization.

I. SCHEDULING, RESCHEDULING, CANCELLING OF GAMES

All games shall be played according to the Organization's official schedule and every team should make every effort to play all games scheduled.

1. Start & End Dates for League Games

The first and last dates that games may be played will be set and announced prior to the start of each season by the Board. League play will end at least ten (10) days prior to the State Tournament. Notwithstanding any division playoff games, no league games or rescheduled games shall be played within this 10-day period without approval of the Board.

2. Scheduling Meeting

Prior to the start of league play, WHAM hosts a scheduling meeting to update managers on league information as well as facilitate the scheduling of all of the league's regular season games that will take place in each Division. The attendance at the scheduling meeting is **mandatory** for all teams, and at least two (2) representatives from each team must be present to schedule the team's games. Each team must provide enough ice time to fulfill such team's home game commitments for the upcoming season. The amount of ice required for each Division's home games will be determined by the Division commissioner with Board input.

Requesting and scheduling a forfeit: Forfeits requested at the scheduling meeting will not be charged a re-scheduling or forfeit fee. Notification of a team's intent to forfeit must be declared prior to scheduling the game. 2 points will be awarded to the team receiving the forfeit, and no fees will be charged. Any games scheduled at the scheduling meeting will be considered official and subject to WHAM cancellation and re-schedule policies.

Divisions with Uneven Number of Games.

Divisions where an uneven number of games are played against one opponent need to identify which game is the home, away and "neutral" game at the Fall Scheduling Meeting. For the "neutral" game, all costs are split 50/50 between the two teams – ice, referee scheduling fees, regardless of who initially booked that ice. In the case of a forfeit of the neutral game, teams still split the cost of the ice 50/50. For cancellation and rescheduling fees – refer to the grid below. Both teams may use the ice if the game is not played.

3. Referee Payment Process

WHAM will collect all referee fees for scheduled home games. Teams will have (2) payments to cover all scheduled regular season games.

- Regular season game fee = \$40 per referee for games starting prior to 9:55pm and \$45 per referee for games starting after 9:55pm.
- WHAM will accept payment in the form of a check or paid online with a credit/debit card. (Note that a processing fee will be included for online payments.)
 - Due date for payment 1 (50% of season total) is at the Fall Scheduling meeting (mid-September each year)
 - Due date for payment 2 (remaining 50% of season total) is December 10

- Teams may choose to pay 100% of their referee fees at the Fall Scheduling meeting if desired
- Failure to pay referee payments on time and in full will result in late payment fees of \$25 past the due dates for both September and December payment dates.
 - If the team's referee fees are not paid in full for the entire season by January 1st, no referees shall be scheduled for remaining home games. Late, cancellation and rescheduling fees will be added to outstanding balance and carried forward to the following season, if applicable. Additionally, team is not allowed to participate in year-end tourney if fees are outstanding.
 - Referees will be reinstated for home games when fees are received at least 48 hours prior to game time.
- Checks that are returned will be considered as a failure to pay and late fees above apply in addition to bank fees assessed to WHAM. WHAM mailing address: 1605 River Rock Drive, Carver MN 55315
- WHAM will coordinate all payments directly to referees through Arbiter's RefPay scheduling system.
- Any fees for updated and/or rescheduled events incurred will be invoiced and collected by WHAM monthly and paid to the scheduler.
- See chart on in Section 4 Cancelling a Game for issues related to referee no-shows and who is responsible for ice and referee fees.
- Please report all scheduling issues to refscheduler@whamhockey.org and cc leagueadmin@whamhockey.org within 24 hours of your scheduled game.

4. Cancelling a Game

As soon as the game cancellation is known, the team initiating the change shall be responsible for the required notifications to all parties; refscheduler@whamhockey.org, leagueadmin@whamhockey.org, and team managers for opposing team.

- Weather Related. If a team determines that "severe weather" creates unsafe driving conditions, WHAM encourages teams to reschedule the game. *Please note: "severe weather" is defined by warnings and closures posted by MNDOT pertaining to unsafe road conditions or extreme temperatures.* Note that there may be varying degrees of severe weather throughout the state. If the requesting team can provide proof of the weather warnings for their geographic location, then the cancellation request is considered justified.
 - The team requesting the weather related cancellation must email the refscheduler@whamhockey.org and leagueadmin@whamhockey.org a **minimum of six (6) hours** before the game so the referees may be called off. If the team requesting the cancellation does not inform the WHAM referee scheduler of the change, and the referees still show for the game, that team is responsible for paying the referees.

- Team Does Not Have Enough Players or Team No Show. If a team does not have enough Players (minimum 5 skaters and 1 goalie, or 6 skaters) prior to the start of a regularly scheduled game or a team fails to show up for a game, **a willful forfeit occurs.** The team causing the forfeit must email the refscheduler@whamhockey.org and the leagueadmin@whamhockey.org with complete details within 24 hours. The team who caused the forfeit earns 0 points and must pay the opposing team 100% of their ice and referee payments incurred. The fees owed must be paid within 7 days of the forfeited event or all games played by the offending team following the forfeited event will be forfeited as well, retroactive to the initial forfeit. If there is an issue with the collection of these fees, please contact your Division VP for assistance.
- Additional Willful Forfeits. A second willful forfeit of a scheduled game will result in the loss of **two additional existing points for that team, three points for a third forfeit, etc.**
- Late Season Game Cancellations. If a game scheduled late in the regular season is not played due to lack of referees or weather and rescheduling is difficult due to late season timing, Team Managers may agree to a tie. Each team will be awarded one (1) point with a score of 0-0. If Team Managers cannot agree on a tie, the Division Commissioner (or in the event of a conflict of interest, a Division Vice President) shall make a final determination.
- No Officials. A game may not be played without at least one (1) MH/USAH Certified Official. If one (1) MH/USAH Certified Official is not available, the game must be rescheduled. However, either of the teams may request a Player or Coach who is a certified official (or if there is another crested official in the arena) to officiate the game if both teams agree. Approval by both teams must be made prior to the start of the game, and the circumstances must be noted on the score sheet. The home team must notify WHAM scheduler at refscheduler@whamhockey.org and leagueadmin@whamhockey.org to inform them there were no officials.
 - NOTE: If a game must be rescheduled because of referee “no show”, the fees associated with rescheduling game will be covered by WHAM (ice cost) and WHAM OFFICIALS (Ref fees). **This assumes that all rink locations and times are posted correctly on the WHAM schedule. It is always the responsibility of team managers to carefully proofread all ice reservations with the published WHAM schedule.**

5. Rescheduling a Game

- Procedure

- All cancellations of referees must be at least 6 hours prior to game time or the referees are still paid their regular game rate.
- If the reschedule request is determined to be outside of the team's control, the fee to reschedule is \$0.
- The team requesting the reschedule must have written agreement and complete details (time, date, location) confirmed with opposing team manager(s). The confirmation must be included with the request for change (via email). **Please note that a weather-related cancellation for one team applies to both teams.** The team impacted by weather that prevents travel must indicate this as the primary reason for the cancellation and show advisories for their area of travel.
- The team requesting the reschedule must email the refscheduler@whamhockey.org and cc leagueadmin@whamhockey.org to request the change. Include cancelled date/time, new date/time, arena, division and names of home and away teams. Please cc the opposing team manager(s) on all correspondence.
 - If the reschedule request is 31 days or more prior to the previously scheduled game, **the team requesting will be billed \$15.00**
 - If the reschedule request is 30 days or less prior to the previously scheduled game, **the team requesting will be billed \$25.00**
 - If the reschedule request is within 48 hours of the game time, **the team requesting will be billed \$75.**
 - If the reschedule request is due to inclement weather and all criteria for that policy are met, **the fee to reschedule will be \$0.**
- The team requesting a rescheduled game must provide at least **2 potential ice times** to the opposing team whether team is home or away.
- The opposing team shall have 48 hours to choose an ice time and agree to reschedule.
- If both teams are cooperating **but are unable to reschedule**, the game will be recorded as a 0-0 tie with one point awarded to each team.
 - Note: In the event there is a weather-related cancellation, the team causing the cancellation is not responsible for the ice expense if they were not the home team as this is considered an act of nature and no one is at fault.

- When one (1) team is not cooperating, the Division Commissioner shall rule (or the Division Vice President in the case of a conflict). The Board must approve all games rescheduled within the 10-day time before the WHAM tournament.
- The reschedule is not complete until you receive confirmation from the Referee Scheduler at refscheduler@whamhockey.org.

J. GAME PROTOCOL FOR LEAGUE PLAY

1. USA Hockey Playing Rules

The Organization will play under USA Hockey Playing Rules, unless otherwise specified in this Handbook.

2. Length of Games

- Duration and Timing of Games.
 - Games will consist of a 5-minute warm-up period (begins at the start of the ice hour), two (2) 17-minute periods of running time, one (1) 12-minute period of stop time, and one (1) minute rest between each of the second and third periods.
 - The third period remains stop time regardless of game score. When the real clock and the game clock match in the 3rd period, the 3rd period goes to run time. In the event the clock has not run out when the arena signals that the ice time is over, the game is concluded at that time.
- No Timeouts. Timeouts in regular season league games are not allowed. Timeouts shall be allowed in Division playoff games and State Tournament games **as provided by the applicable rules set forth for such games.**

3. Score Sheets

- Completion. The home team supplies the score sheet for the game. Score sheets must be filled out completely, including shots on goal, saves, goals and assists. Coaches, referees and minor officials should all sign the score sheet. Game misconducts, referee complaints and issues with team rosters and minor officials should be CLEARLY noted and described on the score sheets. Altering a score sheet, including reassigning penalties to other players, shall result in monetary fines, suspension from the league and/or loss of game or entry into the WHAM Tournament, as determined by the WHAM Board. When in doubt, write all comments on the game score sheet. Each affected team should follow up by contacting its respective Division Commissioner.
- Score sheets. Once a game score sheet has been signed by both referees (with referee number or name) AND a rostered member of each team (preferably a manager or coach) the score sheet is final. Each team representative's signature means that he/she has reviewed the score sheet and agrees that all roster, penalty and scoring details are accurate. WHAM will rely upon the accuracy of each signed score sheet to settle any game-related disputes. If there is a dispute that causes a team to refuse to sign the score sheet, the refusing team must make a full report via e-mail to the division commissioner within 24 hours. To submit issues please use the wham complaint form located at www.whamhockey.org under About tab (<http://www.whamhockey.org/page/show/101478-about>)

- Submission. Within seven (7) days following the game, the winning team (or home team in the event of a tie) is responsible for updating game stats on the Organization's website and for mailing or scanning/emailing the top white copy of the score sheet to the League Administrator: leagueadmin@whamhockey.org WHAM Hockey, 1605 River Rock Drive, Carver, MN 55315. The losing team is responsible for verifying the accuracy of the game information that was inputted from the score sheet on the WHAM website.

4. Penalties

- Time Limits. A penalty will start when the puck is dropped if play has been stopped and the clock is running. Minor penalties are two (2) minutes, major penalties are five (5) minutes, and misconducts are ten (10) minutes during either running or stop time.
- Game Penalties & Ejections. In any regularly scheduled game, if any one (1) Player is assessed three (3) penalties (regardless of the minutes associated with those penalties), the Player will be ejected for the remainder of that game.
- Dangerous Action Penalties Resulting in Game Misconducts. Players assessed penalties such as Head Contact, Checking from Behind, Fighting, Charging and hits delivered **with the intent to intimidate or punish the opponent**:
 - Must be penalized in EVERY instance
 - Officials must follow the Standard of Play initiative without hesitation
- Dangerous Action Penalties (DA) Consequences: Any Player receiving one DA penalty may not participate in the next WHAM sanctioned game. If the player receives a second DA penalty she may not participate in the next 5 regular season or tournament WHAM-sanctioned games. Any player who receives a third DA penalty will sit the remainder of that season and must **appear before the board to determine the Player's eligibility to play with the Organization** going forward.
 - i. Note: **Dangerous Action offenses are cumulative** within a five year period for all members of WHAM. In other words, the tally does not "re-set" at the end of each season, rather at the end of five years with no additional incidents.
- Game Suspensions. Per MN/USA hockey rules, if a Player is assessed five (5) penalties in a game, the Player will be assessed an additional one-game suspension. If any Player should have three such ejection/suspensions within the same season, that Player will be subject to an additional two-game suspension. All game suspensions are to be served during the Player's team's next Organization-sponsored game(s) (not scrimmages) regardless if those games occur post-season. If there are no further Organization-sponsored games to be played for the Player's team in the current season, any such suspension of games will be carried over to the start of the Organization's next season. Team Managers are responsible for notifying the division commissioner of game

suspensions before the next scheduled game and for assuring that the penalized Player serves the suspension(s).

- **Match Penalties.** Any Player receiving a MATCH penalty **may not participate in further Organization-sanctioned games until the Board convenes a hearing** to determine the Player's status within in the Organization. Examples include; kicking, spearing, and blocker punches, all with specific intent to injure.

5. Officials-Referees

- **Scheduling.** Referees are coordinated through the WHAM Officials Organization for all WHAM teams. Referees for games to be played in the Duluth, Minnesota area, will be coordinated by WHAM Officials through the Referees' Association in the District where the arena is to arrange officials.
- **Certification.** All games must be officiated by two (2) MH/USAH-certified officials.
- **Official Minimum Age.** Officials must be eighteen (18) years of age and older as of the current hockey season within the Organization. All officials must wear the correct officiating "crest" on the referee's left chest. Per USAH Rules, games without at least one (1) USAH certified officials do not count.
- **Conflicts of Interest.** Referees may only officiate games within the same division in which they play when in-training and accompanied by a mentoring WHAM OFFICIALS referee AND only for games scheduled prior to January 31. Referees may not officiate games involving family members and must inform the WHAM Referee Scheduler of their conflict at refsupervisor@whamhockey.org.
- **Officials Conduct.** Officials are required to conduct themselves in a businesslike, sportsmanlike, impartial and constructive manner always. The actions of an official must be above reproach. Actions such as "baiting" or inciting players or coaches are strictly prohibited. Officials are ambassadors of the game and must always conduct themselves with this responsibility in mind.
- **Official(s) Complaint(s).** If there is an issue or complaint concerning attendance, performance or the quality of a game, write all comments on the score sheet. Please utilize the Officials Conduct Complaint Form located on the Organization's website and send it, along with a copy of the score sheet to refsupervisor@whamhockey.org and your respective Division Commissioner (contact information on the Organization's website).
 - Video submission to the WHAM Board will only be considered if intent is for educational purposes. It cannot be used for supplemental discipline or to challenge a call.
- **Using One Referee/No Referees.** A game may not be played without at least one (1) MH/USAH Certified Official. When there is only one (1) MH/USAH Certified Official available, the game can still be played if both teams agree prior to the start of the game. The referee who showed is paid his/her normal fee. Teams are not required to pay for the referee who failed to show. The teams should note on the score sheet that only one (1) referee was at the game. If both teams do not

agree to play with one (1) referee, the game must be rescheduled, see above. If no referees show for the game and the error is caused by WHAM OFFICIALS scheduling, then WHAM and WHAM OFFICIALS will cover the ice and referee fees for rescheduling that game at the arena of choice for the home team.

- Zero Tolerance Policy. USAH, MH and the Organization enforce a Zero Tolerance Policy whereby referees do not have to accept any form of abuse from Players, Coaches, Team Managers or fans. Teams will be held responsible for the actions of its Players, Coaches, Team Managers and fans if a situation occurs. Penalties and/or disciplinary action may be assessed by the Board **with WHAM OFFICIALS partnership.**

6. Minor Officials-Timekeeper & Scorekeeper

The home team is responsible for providing an adult(s) (aged eighteen (18) years or older) to run the time clock and keep score. If the home team does not provide an adult to keep the score sheet and run the clock, **the home team must use a Player for these duties or forfeit the game.**

7. Captains

Prior to the start of each game teams shall designate one (1) Captain and not more than two (2) alternates on the score sheet. Only one of these designated players shall have the privilege of discussing with the Referee any questions relating to interpretation of rules that may arise during the progress of a game. No goalkeepers shall be entitled to exercise the privileges of Captain. Each designated player should wear the letter "C" or "A" approximately three inches in height and in contrasting color, on the front of the jersey.

Any Captain who comes off the bench and protests or interferes with the Officials for any purpose shall be assessed a minor penalty for unsportsmanlike conduct.

8. Sub goalies

During registration, goalies may opt to be listed in the WHAM sub-goalie pool. Any WHAM rostered goalie may sub at her primary division and higher in any WHAM season game.

- **Emergency sub-goalies:** If a team cannot find a sub-goalie, the team may choose to play the game with 6 skaters and no goalie, OR a skater may wear the goalie gear and play as an "emergency" sub-goalie. This sub-goalie may not have previous experience or training at goalie other than similar "emergency sub-goalie" situations. Once a Player has additional experience or any goalie training, she must assess prior to playing goalie in a WHAM game.
- **WHAM tournament sub-goalies:** Teams are expected to play the WHAM tournament with the team's rostered goalie; however, if teams need to use a sub-goalie in the tournament, they must provide the name of the sub-goalie to the division commissioner and Vice President prior to the game(s). The sub-goalie must be legally rostered within WHAM and eligible to play at that level.

- Goalie as skater: A goalie may skate out on her rostered team, ONLY if she has assessed as a skater at that level or lower. Example: If a team is short skaters, they may use the sub-goalie pool and have their rostered goalie skate out. (The spirit of this rule is to allow for situations when the team is short players due to illness, injury, work obligations, etc. The expectation is that this allowance will be used only occasionally.)

9. Jerseys

All teams must have a set of light (predominantly white) and dark jerseys for league play. The home team wears their light jerseys and the visiting team wears their dark jerseys. Jerseys must display a unique number; names are optional. Numbers on jerseys must match the Player number on the team's roster and the game score sheet.

Every player rostered (whether as a primary or secondary player) must have a unique jersey number for the entire season that is entered WHAM website stats.

10. Bench Areas

Any person on the Players bench during an Organization-sanctioned game or practice must be registered with USAH as a Player or Coach AND must be eighteen (18) years of age or older. Any person in the penalty box or scorekeeper areas must be eighteen (18) years of age or older. Children or pets are not allowed in the penalty box, player's bench or scorekeeper areas.

11. Electronic Communication

No electronic devices will be allowed during any regular-season league game and the Organization's State Tournament for communication between any Player, Team Manager and/or Coach on the bench with any other person not on the bench. Devices banned include cell phones, PDAs, walkie-talkies, pagers, etc. An exception shall be made for any on-call medical person or other emergency personnel. Such personnel should make every effort to attach the pager securely underneath clothing and gear.

12. Injuries

- Treatment. Every team should have at least one (1) Coach or team member certified in CPR and First Aid. If an injury appears serious, do not hesitate to call 911.
- Referee's Role. The referee is responsible for deciding when to stop play for an injury. Due to insurance regulations, the referee cannot treat an injured Player. If the injury is serious, call 911.
- Stopping the Game Clock. Except for the third period (the clock is stopped when the whistle blows), the referee will decide whether to stop the clock or not. Because games must be completed within one (1) hour, the referee will most likely NOT stop the clock.

- Catastrophic Injuries. In the case of a catastrophic injury (an injury that is life-threatening and/or causes paralysis), contact the respective Division Commissioner, the MH Women's Director and the MN District/MH Risk Manager (Bruce Kruger; 763-478-4671) as soon as possible after the injury.
- All other injuries. If the injury is not catastrophic, a Player can still take advantage of the insurance coverage provided by USAH. The injured Player must complete the USAH Case Report & Accident Medical Insurance Claim Form (available on the Organization's website) and follow the instructions for submission on the form.

K. DIVISION STANDINGS

1. Points

Standings in the divisions shall be determined by a point system as follows:

Win: two (2) points

Tie: one (1) point

Loss or forfeit: zero (0) points

2. Ties

If two (2) or more teams have an equal number of points after all games have been played, a team's position in the standings shall be determined by:

- The results of the games played between the tied teams in the following order:

The points acquired in these games.

Subtracting goals scored against from goals scored in these games. The team's position shall be in the order of the greatest surplus.

Dividing the goals scored in these games by the goals scored against. The team's position shall be determined in order of the greatest quotient.

- If, after applying the formulas above, the tie still exists, Part 2, a (ii) and (iii) above shall be applied using the total of all the games played by each team. When the tie involves three or more teams, each formula shall be applied in succession until one (1) formula determines the position in the standings for **ALL the teams involved**.

L. POST SEASON TOURNAMENT PLAY

1. Division Champions

Division champions shall be determined by the standings of teams at the end of league play.

2. WHAM Tournament

- General. In each Division, the top teams will qualify to participate in the WHAM Tournament as determined by the final Division standings or by the tiebreaker rules as described above.
- Divisions with subdivisions. Prior to the start of league play for each season, the Divisions that have two (or more) subdivisions shall vote on the process of determining the top teams who will represent that Division in the WHAM Tournament from one (1) of the three options listed below:
 - The top teams in the Division as determined by overall points at the end of league play;
 - The top team in each of the Division's subdivisions as determined by overall points at the end of league play, and then the next top teams in the Division as determined by overall points at the end of league play; or
 - The top teams in each of the Division's subdivisions as determined by overall points at the end of league play.
- The Division Commissioner shall record the results of the votes from each of the teams in the Division and notify the respective Division Vice President of the Division's determination.
- Player Eligibility. To be eligible for the WHAM Championship Tournament, Players must be on a team's roster by December 31st. Players may only participate in their rostered positions. (For example, a dual-rostered skater/goalie who skates out on a B2 team and plays goalie on a B1 team may not skate out on the B1 team.) The Board reserves the right to ask for photo identification at any time during the WHAM Championship Tournament. All teams will be audited to ensure players are properly rostered the first week of November, after the start of the season. Teams with any player(s) who are not legally rostered are subject to the penalties described in Section E (15).
- Team Eligibility. Teams may not participate in the WHAM Championship Tournament if it is discovered they have players not legally rostered. Teams also may not participate if they have outstanding financial obligations to WHAM or any other team in WHAM.
- Substitute Goalie. A substitute goaltender may play in the WHAM Tournament if the team's rostered goalie is not available. (The goaltender must be a registered goalie, eligible to play in the division.) The Team Manager is responsible for notifying the Division Commissioner and Vice President prior to the sub-goalie's participation in the Tournament game.

3. USA National Tournament

- Advancing to Nationals. The WHAM Tournament or League Champion (as determined by the Board) shall advance to the National Tournament; provided, however, that such team has met the eligibility and rostering qualifications as provided in the Operating Rules. If the Champion has not elected to participate in Nationals, the next available, and eligible, team by placement (2nd, 3rd, 4th) will advance to the National Tournament.
- Declaration of Classification Deadline. The President of the Organization will advise the MH Women's Director and the Minnesota District Registrar in writing by December 15 of the classifications that WHAM will enter teams in the National Tournament. The Organization may enter two (2) teams in the A Division, one (1) team in the B Division and one (1) team in the C Division.
- Intent to Participate Deadline. Any team intending to participate in the National Tournament must declare its intent in writing and it must be received by the MH Women's Director no later than October 1. Teams must also provide to the Organization a \$250 deposit made payable to the Organization on or before October 31. If a team fails to attend Nationals, the team shall forfeit its \$250 fee. Money shall be refunded to teams not selected to attend Nationals no later than April 15 of that year.
- Qualifying Number of Games. Any team desiring to participate in the National Tournament must have competed as a team unit against other USAH registered teams in at least fourteen (14) games and each Player must participate in ten (10) games during the season.

4. Other Tournament Play

Organization-sponsored Invitational Tournaments sanctioned by MH and USAH must follow the rules for sanctioning as they appear in the MH Bylaws and the MH Tournament Guidebook.

IV. AUTHORITY - DISPUTES - APPEALS - SUSPENSIONS

A. Authority

- a. Minnesota Hockey Bylaws Article 6 gives WHAM the authority to manage our programs and issue discipline to any party within our jurisdiction. This includes suspension, probation, censure, financial penalty or other forms of discipline.
- b. In cases where such discipline leads to a suspension of the party, a Hearing as outlined below and in USA Hockey Bylaw 10 is required.
- c. Exclusions – Hearings are not required for skills assessment issues, automatic playing rule suspensions, suspensions of officials per MHOA

Bylaws, or situations as outlined in USA Hockey Bylaws Article 10, "Exclusions from Unified Procedure"

B. Disputes

- a. WHAM is required to provide for prompt and equitable resolution of disputes, including notice and the right to a hearing.
- b. A party contesting an Administrative Action shall be afforded a Hearing.

C. Hearings:

USA Hockey has developed a unified process on how to conduct Hearings (USAH Bylaw 10). The Hearing must closely follow this process to resolve disputes.

- a. WHAM must hear disputes within thirty (30) days, provide a minimum of seven days' notice of the Hearing date and location, and make reasonable efforts to convene the hearing in a location accessible to all parties. The Hearing Notice must include the process and rules that will be used to conduct the Hearing. In suspension/discipline cases, the grounds for the proposed suspension/ discipline, the consequences of an adverse finding, and issues to be resolved by the Hearing panel should be included in the notice.
- b. The Hearing Panel shall consist of a minimum of three (3) reasonably impartial persons.
- c. The panel may in its discretion hold a formal or informal Hearing, in person or by telecom; hear any evidence it feels is relevant; place limitations on time, evidence and documentation; allow witnesses or written statements; and establish other hearing rules. Each party shall be treated equally, and shall have reasonable opportunity to present their case, in accordance with the established rules.
- d. Parties may be represented by counsel, but the counsel's role in the Hearing is limited to listening only. Counsel may advise the parties quietly during the hearing or during a recess in the Hearing.
- e. Findings must be supported by a preponderance of the evidence (more likely true than not true) that an applicable rule has been violated. The decision logic must be included in the written findings. The Panel must endeavor to render its decision within (5) days of the Hearing and mail a written decision within (15) days of the Hearing. The decision must include the parties' right(s) of appeal. Decisions can affect only parties that were part of the Hearing (cannot be expanded to discipline a party that was not a subject of the Hearing).

D. Appeals

Any player, coach or team who has a standing in the matter may appeal a disciplinary or administrative action, in writing, to the WHAM Board for a period of ten (10) calendar days, after a decision was rendered or a hearing refused. Such appeal must state that it is an appeal, and provide the rationale, citing the applicable rule or regulation, as to why the disciplinary suspension or administrative action should be overturned or modified. In all appeals, the appealing party is required to establish the merits of the appeal. The Board shall make a written determination within twelve (12) calendar days of receipt of a valid appeal. The decision of the Board may be appealed, in writing, for a period of ten (10) calendar days to the Minnesota Hockey Women's Director, who will issue a written ruling within twelve (12) calendar days. Any decision of the Women's Director may be appealed for a period of ten (10) calendar days to the MH Grievance Committee which must make a written determination within twelve (12) calendar days of receipt of a written appeal. The decision of the Grievance Committee shall be final except as noted in the paragraph hereinafter titled "USAH Appeal".

E. Appeal Process

- a. The Board, Women's Director and Grievance Committee may make their determination by holding personal meetings, or communicating through the mail, e-mail or conference call(s).
- b. The "Hearing" format is not typically used for appeals, since the intent is to review the appropriateness of the initial decision, not to provide another forum in which to present the same arguments or evidence. Appeals are generally handled solely on written submissions, and the appealing parties should be notified that no personal appearances can be made.
- c. The appealing party must provide a basis for the appeal by referring to the relevant rules and/or regulations and describing why the previous decisions made were flawed or incorrect. These elements are essential when considering the basis for appeal. Appeal Requests lacking this information may be rejected for cause.
- d. Only the evidence and theories explicitly presented to the initial decision-making body for consideration prior to rendering of its decision shall be presented or considered for appeal. In the event new evidence is discovered, it must be identified as such and included in the Appeal Request. If it is determined by the entity considering the appeal that the new evidence would have likely affected the initial decision, the matter will be referred to the initial hearing body.
- e. If the entity considering the appeal uses a Hearing format to assist in making its determination, the process in the paragraph titled "Hearings" hereinbefore will be used.
- f. **USAH Appeal:** Decisions of the MH Grievance Committee may be appealed to USAH according to the provisions of USAH Bylaw 10 - Dispute Resolution, Discipline, Arbitration.

- g. **Court Actions:** Any recourse to the courts of any jurisdiction by any member or individual before all the rights and remedies available under the MH Articles and By-Laws and USA Hockey Bylaws have been exhausted, shall be deemed conduct detrimental to the best interests of hockey and a violation of the MH and USAH Articles and By-Laws. This violation will result in suspension of membership and/or expulsion from the organization pursuant to the provisions of this Article.
