Rec League – Silver Division

Division Objective

The Silver Division is designed for:

- **Newer skaters**
- **Adults who consider themselves beginners at hockey**

This league is the **next step up** from our Adult Skills & Scrimmage Program.

- **Focus:** Learning, improving, and enjoying the game in a low-pressure setting.
- **Not Competitive:** This is *not* a win-at-all-costs league. The emphasis is on growth and fun.
- **Looking for More Competition?** If you want playoffs, championships, or trophies, the **Gold Division** is the better fit.

League Information

- Teams will consist of a minimum of 12-16 skaters and 1 goalie.
- The Captain's Committee will form rosters with the intent of keeping competition as equal as possible.
- The League will try to honor all player/captain requests, but reserves the right to alter teams to ensure league parity.
- The League reserves the right to make a trade at any time to keep the league competitive.
- An official jersey will be provided to all registered players. All players must wear their team jersey. Any player NOT wearing a matching jersey MUST report to the scorekeeper to identify themselves.
- The League will assign a team captain who will ensure that the objectives of the League are being followed.

League Rules

- This League includes 18 games played on Friday and Saturday nights at Holiday Twin Rinks and Leisure Rinks.

- **ALL** Players **MUST** have USA Hockey Insurance. No player is allowed to play in the league without this.
- **ALL** players **MUST** attend an Evaluation Session before the season to gauge skill level.
 - Each participant will be given a rating, which will be used to determine team strength.
 - Anyone who did not attend the evaluation skate may have player requests denied at any time.
- The League's schedule, standings, rosters, and stats will be updated and can be found at HolidayRinks.com.
- Tag Up Offside, Icing, and Penalties will adhere to USA Hockey League Rules.
- All games will begin as scheduled. Following the exit of the Olympia, the scorekeeper will place 3 minutes on the score clock for warm-ups. If there is not a minimum of six players at the conclusion of this time, a bench minor will be assessed. If there are still not enough players after 5 minutes of gameplay, the game will be declared a forfeit.
- Each game will be made up of three 20-minute running clock periods. *The clock will stop for the last five minutes of the 3rd period if the score is within three goals.*
- If the game is tied after regulation, a 3-man shootout will take place. The Home Team always shoots second. If the game is still tied after three shooters, a sudden death 1 on 1 shootout will commence until a winner is decided. All shooters can only shoot once. **No subs are allowed to shoot until all rostered players have gone.**
 - **NEW RULE:** Teams will choose the first three skaters of their opponents. Once sudden death starts, the team will choose their own shooters.
- Limited body contact may happen during the course of play. Body checking will be penalized. This is a non-contact league!
- Penalty Times:
 - 3 Minute Minor
 - 6 Minute Double Minor
 - 10 Minute Misconduct
- Once stop time begins during the last three minutes of the 3rd period, a minor penalty becomes 2 minutes.
- Major Penalties or Fighting result in immediate ejection from the game and the league, with loss of fees paid. No exceptions!
- Any Game Misconduct will result in a 1-game suspension.
- Excessive penalties may result in suspension. Any player who receives three penalties in a game will be removed from the game should the officials deem it appropriate.

- Any player who physically abuses an official or scorekeeper in any way will face permanent expulsion from the league. Verbal abuse of an official or scorekeeper will result in a game misconduct.
- The League Commissioner may suspend players on a case-by-case basis. When needed, the Captain's Council will determine proper discipline.
- All suspensions can be appealed by contacting the League Commissioner. During the appeal process, the player will be unable to play in the league.
- An appeal may result in a hearing with the Adult League Committee. The Committee will consist of three members who will review the play and hear the defense of the player in question. If a suspension is overturned, the player will be allowed to return to the league at their next game.
- If the puck hits the netting around the outside of the rink and comes back onto the ice, it will be a live puck, and the play should continue.
- ALL Skaters **MUST** wear a full face shield. Remember, there are plenty of new players in these leagues who may not have complete control of their stick or shot. This is for the safety of all players.
- Each team will receive one 30-second timeout. The clock may also stop for injuries or in the final three minutes if the score is within three goals.
- This league will use a 3-2-1-point system. 3 points are awarded for a regulation win. 2 points are awarded for a win in a shootout. 1 point is awarded for a loss in a shootout. 0 points are awarded for a regulation loss.
- The end-of-season standings will be determined by the following tie-breakers:
 - Points/Wins
 - Head-to-Head
 - Regulation goal differential in head-to-head
 - Least Penalty Minutes
 - Least regulation goals allowed
 - Most regulation goals scored
- All Subs **MUST** come from within the current Rec League season or from the pre-approved player sub list. All Captains will be given the Sub list before the start of the season. All players on the Sub list must have valid USA Hockey Insurance. Skaters on the Sub List will pay a \$20 sub fee before their game being played.
- **NEW SUB RULE:** Teams may elect to use **ONE** sub skater if their roster has less than 10 skaters. Captains are responsible for finding a sub when needed. Any team that does not follow these rules will result in the team captain receiving a suspension.
 - Subs are encouraged to set up plays, NOT take over a game.
- Goalie subs are allowed from ANY Division.

- Gold Skaters are NOT allowed to sub in Silver Division Games unless both Captains and Commissioner agree to it, and must be agreed upon prior to warm ups.
- Players must play with the team they are assigned to. Players are allowed to sub if a team is short on players. If a player refuses to play for the team they are assigned to, they will not be allowed to sub.
- No subs are allowed to shoot in a shootout until every rostered player on the team has already gone.
- Illegal players will not be tolerated! These include:
 - Any player not on the online roster
 - Any player who does not have USA Hockey Insurance
 - Any player playing while suspended
 - Any player who has not received the Commissioner's approval to play
 - Any player wearing someone else's jersey
- Any Captain that allows an illegal player on their team will receive an automatic one game suspension. Should this happen twice in a season, the Captain will receive a three game suspension. Captains who continue to break this rule will be stripped of their Captaincy and the perks that go along with it.
- Protests must be made during the course of the game. All other disputes should be made to the League Commissioner within 24 hour of the games initial face off.

The League Commissioner has the sole authority to resolve all league disputes and to interpret all league rules. The commissioner's interpretation of these rules is to be deemed final, regardless of written rules when it is deemed any rule may be unfairly applied
