

*Dear Highlander Basketball Club & Homestead Girls Basketball Supporters,*

*Our third annual Highlander Basketball Club Attack the Glass fundraiser will be held at Bub's Irish Pub on Saturday, November 2<sup>nd</sup>, from 3-6 p.m. This community-building event brings together past, present and future parents and program supporters.*

*We will have over 11 beer and wine tasting stations in addition to appetizers, silent auction and raffles. This event will raise funds for the cost of basketball equipment, coaches, player development (clinics, Athlete Performance) and facility and tournament costs. Raising funds is an important aspect of providing a quality girls basketball program at both the high school and youth levels. Your support allows us to offer the best opportunities to our players.*

*Please consider attending and supporting our 2019 Highlander Basketball Club Attack the Glass fundraiser. We are looking for glass sponsors, food sponsors, and tasting table sponsors. We are also collecting silent auction items and donations. Details follow on how to take advantage of these exciting sponsorship options.*
