

Tea Morning Summer Rec. Information

(Page 1 & 2 applies to flag football, soccer, baseball, softball, & volleyball programs. Get more information on the Creative Arts & Recreation on page 3).

What is Summer Rec.?

This program will offer various sports in the month of June for 1st-2nd grade boys & girls, 3rd-4th grade boys & girls, and 5th-6th grade boys and girls. The program will be 50 minutes long. Instructors will do 40 minutes of drills, while the other 5-10 minutes will be a fun game related to the activity at the end of the program. Those programs are listed on pages 4 & 5.

Costs

\$50 per session for each program

Grades

Grades are based off the 2025-2026 academic school year.

Why is there a limit on participation?

We want to provide the best opportunity for our participants. We have set a limit so we can have a good ratio between participants and instructors. This will allow our instructors to be able to provide more one on one instruction to those who participate in our summer rec. programs. Another factor also is available field space. We want to keep our fields pristine for our other program we provide. There are various programs in which we'll make small rotations so, we don't destroy the fields in which we play fall & spring soccer and fall flag football on.

What if a Session or Program is full?

We will not add other participants if the session or program is full. You then will be on a waitlist for a program. If a participant must cancel then we will go to the waitlist and then we can add a participant. We will determine the waitlist order based on the date and time they registered. Those who registered first on the waitlist for a program will get priority.

When are programs?

Programs will run June 1 through June 25. We will only have June 29 & June 30 as our make-up dates if necessary. We will have sessions on Monday & Wednesday and Tuesday & Thursday (No Morning Summer Rec. Programs on Fridays, except for Creative Arts & Recreation).

Where are the programs?

Most of our programs will be in or by the Tea Athletic Complex. We did this to make it easier for participants to go to the next program if they're in one.

Who will be running the program?

We will pay instructors to run these programs, with the Tea Parks & Recreation Director walking around the programs with any questions the instructors, parents, or participants may have. These instructors must be 15 years and older.

Can I sign up my son or daughter for both sessions for each program?

Yes, you can sign up for both sessions for each program.

What happens if there's a weather cancellation?

If we believe the weather is going to be bad, we have the right to cancel programs. We will not make up any sessions if we must cancel due to weather or any other circumstances that arise. If we must cancel a program while the program is occurring we have a designated location to bring the kids. We will send out an email on where to pick them up and will have instructors' text/call you as well.

What does my son or daughter have to bring to the programs?

We highly recommend that kids bring a water bottle for their program! Most programs will not be close to a water fountain. It also doesn't hurt to have a bag that also includes a sweatshirt, cleats or shoes, baseball/softball glove, helmet, and bat (if they're registered for the baseball or softball program). If they don't have a baseball/softball helmet or bat that will be provided. We will provide the rest of the equipment for the participants.

Will transportation be provided?

No, it will be up to the parents/guardians to drop off or pick up the participants for the programs. Participants are allowed to bike to these programs if a parent/guardian sees it as fit.

I signed up my son or daughter for another program do I have to pick them up and drop them off for the other programs?

You shouldn't have to pick up and drop them off if they go to another program. We have all the programs closely located to each other so participants can walk to their other program. If you want to pick them up and drop them off to their other program, you're more than welcome to do that.

INSTRUCTORS ARE NOT ALLOW TO GIVE RIDES FOR KIDS (Unless they're siblings or their babysitter).

New for 2026: Due to low participation numbers in girls soccer, our soccer program will transition to a co-ed format. Our goal is to continue providing opportunities for all players—especially girls who have a passion for soccer—to stay involved in the game. Moving to a co-ed program allows us to keep the program running and avoid cancellations when participation numbers are low.

Creative Arts & Recreation Information

(Formerly known as Summer Rec. Program)

- \$50 per participant

- **Grades**

- Completed Kindergarten-5th Grade (Grades based off the 2024-2025 academic school year).
- If you have a son or daughter that has gone through the program and is in 6th grade or older they can join the program for free and be helpers for those who're in our program.
- Children must be able to self-manage themselves

- **Schedule**

- Program will run from Monday to Friday from 9 am to 11 am in the month of June once school is out. No Creative Arts & Recreation on Friday, June 28.

- **Location**

- Tea Community Hall - 200 W. Maple St.

- **The Program**

- This program is designed to provide your child with activities to stimulate the mind and body. Children are divided into small groups, which rotate to three areas each morning. Your child will enjoy making creative arts and craft projects, playing organized games and activities, and investigating special topics chosen by each age group. Vacation time can be filled with friendly interaction, laughter, and quality learning. Come have fun with us! The program is designed for those children not attending daycare centers as they already have activities planned, however in-home daycares are welcome.
- Tea Parks & Recreation do not provide transportation.
