

# Happy Fall Ya'll

I am happy to share that the fall season is progressing well and that teams are getting ready for fall state meet! Thank you to all our meet hosts for doing a great job under these circumstances and giving our athletes the opportunities to do what they love! I wanted to share a few updates as we finish fall and get ready for spring season.

## Name Change

USA Gymnastics announces 'USAG Development Program' as the new name for the Junior Olympic Program. This change was necessary due to increased restrictions set by the US Olympic Committee surrounding the use of the word "Olympic".

## Fall State Meet

Please enter your athletes early for this meet. We do plan to have team finals at Level 3 and 4 with the top four teams if the numbers allow. The sooner you enter your athletes on USAG Meet Reservations the better we can prepare for this competition.

## Mobility

As a professional member it is your responsibility to know the rules of mobility from one level to the next. Please review mobility between the Development Program (formerly JO) to Xcel. Once you compete as a level five for ANY reason you must compete as a Platinum. Refer to pg. 48 in your rules and policies for this information.

## Covid Policies

Please make sure that you are aware of the Covid policies for each meet that you plan to attend. Every meet will have their own policies and it will vary from meet to meet. Please communicate these expectations to your athletes and parents.

## GA USAG Facebook pages

Invite your gymnasts parents to follow us on the Georgia USAG FB page. [Facebook Page](#)

This page is open to the public. If you are not already a member of our private GA USAG Pro Members page, please send a request and your pro membership will be confirmed. This is a good way to stay in the loop!

## Handouts and Print Material for your gym

Click here for documents that you can print and hang around your gym for Covid  
Protocols
