

Changes Ahead for Fall Season

At the January State Committee Meeting changes were made to upcoming fall and spring seasons:

In 2020, Georgia USAG will offer a fall state meet for USAG Levels 1-5 and Bronze. In the spring of 2021, the compulsory state meet will have ONLY levels 3 and 4, and the Xcel state meet will have ONLY Silver and above. USAG Level 5 and Xcel Bronze will only have a state meet in the fall.

In the fall of 2021, in conjunction with the beginning of the new compulsory cycle, a compulsory state meet will only be offered in the fall, as well USAG Xcel Bronze will only have a state meet in the fall. There will be no compulsory state meet in the spring of 2022.

AAI EVO-Black equipment

You may be seeing some of the new equipment at invites this upcoming season - so I just wanted you to be aware. Meet directors should be listing the equipment that they will use in their information so that you can be prepared - The new EVO equipment will NOT be used at Regionals, Eastern or JO National in 2020. I am attaching a conversion chart from the national office to help you if you find yourself at a meet with the new equipment.
