One important update about the playoffs...

Although we are the home team, Lakeville North High School is simply the host site for a Region 3AA (MSHSL) contest. For this reason, **Lakeville North is not allowed to honor our regular season passes for these next two playoff games.** Therefore season passes, coach passes, grandparent passes, & free youth player (w/ jersey) passes are no longer valid. With that being said, the Panthers have high hopes for an exciting post-season run, all the way to US Bank Stadium, so we hope to see everyone at the game!

SPECIAL NOTES & STADIUM POLICIES:

1. Only Region 3AA passes can be used for playoff games.
2. Middle school & elementary-aged students who are not accompanied by a parent/guardian will not be allowed entrance to the game. The adult who accompanies the student to the game is responsible for that individual for the duration of their time in the stadium.
3. No Backpacks or Bags (personal handbags/purses allowed, but subject to search).
4. No outside food or drink allowed in the stadium (guests will be asked to dump out mugs).
5. No Political/Campaign signs in the stadium or on grounds/ parking lot.
6. Signs or other items that obstruct the views from other spectators are not allowed.
7. Artificial noisemakers are not allowed.
8. Because the grass area under the scoreboard is not open during the playoffs, balls & other sporting equipment may not be brought into the stadium during contests (if brought, these will be collected at the gate and can be picked up after the game).
9. No loitering (hanging out) on the asphalt area near the vendors (please leave room for guests to purchase concessions).
10. No re-entry. Once a guest leaves, they will not be readmitted.

LIVESTREAM: Because this is a post-season event, the streaming platform will change a bit. You can find this game on [NSPN.TV/MSHSL](https://www.nspn.tv/mshsl) and it can be live-streamed for a small fee.
