

# Emergency Action Plan Policy

An Emergency Action Plan (EAP) is designed to assist the club and its volunteer coaches in responding to an emergency situation on the field.

Cambridge Youth Soccer Representative and House League Coaches/Game Leaders are versed by the club prior to the commencement of the season in regard to the EAP.

1. All teams must designate a person to be in charge of the emergency in advance
2. Emergency telephone numbers will be provided by CYS to all team representatives (Police, Fire, Ambulance, Club Contacts, City of Cambridge Emergency After Hours)
3. All teams must keep with them contact numbers for parents of all players on their roster in case of emergency
4. Any medical conditions should be noted for each participant so that they can easily be passed on to emergency responders
5. All serious incidents should be reported on an Incident Report Form

A list of all CYS Field Locations is as follows:

## **Tiny Tots**

ComDev Indoor Soccer Park, 745 Fountain St N.
