RAHA Board Member Responsibilities

The RAHA Board is a working board. The success of RAHA is incumbent on Board members committing to attending board meetings, serving on committees, and doing work outside of board meetings. Board members are required to serve on and actively participate on multiple committees, in addition to their position on the board. Board members also are required to attend 20 of the 24 monthly meetings during your two- year term, including the tryout meetings in October, as well as regularly attend assigned committee meetings. In addition, board members will be required to use MS Word, Excel and Powerpoint in their positions and be able to use email. And have fun!

Please describe your hockey background and experience:

I played my entire youth hockey with Rosemount. From mini-mites through Bantams. My final year playing in Rosemount I played on the Bantam A team. I did not play hockey after that and attended St Thomas academy for High school.

Please explain why you wish to become a RAHA Board member:

This year my wife and I had 2 kids playing hockey in Rosemount. My daughter Emily was a 1st year mini-mite and my son Jack was a termite. I helped volunteer coach for both teams and was

on the ice for every practice. The kids and I both loved it. We already have them signed up for Lee Gorens summer clinic at RCC. I have loved the game of hockey since I was a kid. I have been going to the MN State High School Hockey Tournament since I was 9 years old and I'm looking forward to passing that tradition down to all 3 of my kids. I feel like kids can gain so much from playing the sport of hockey. I still tell my wife (Whitney) to this day, that some of my best memories in life were growing up playing hockey with all of my buddies... From the out of town tourneys to the early morning practices! I am proud to live in Rosemount and couldn't be more excited that my kids are starting their hockey careers playing for the Irish. I just want to contribute and help any way I can.

What specific talents/skills would you bring to the RAHA Board?

To be honest I have never served on a board before so this is completely new for me. I work for a Flooring distribution company (Herregan Distributors) and I manage our display and sample department. I am very detail oriented and never shy away from hard work.

Which RAHA Board Position/Committees would you like to get involved with (Equipment, Goalie Coord, Age Level Coord, Operations, Finance, Fundraising, etc)?

I think because I have kids in mini-mites & termites that I would like to be involved with their programs if possible? I could see myself helping out with any of the following (equipment, fundraising, coach placement, try-outs, etc...)

Please describe your past experience (volunteer, manager, coach, etc.) within the RAHA:

My only experience came this year while volunteering coaching on both of my kids hockey teams. This spring I will be head coach for my daughters track team through RAAA.

Please describe other board experience, youth program experience, or areas of community

involvement:

None.

Please identify any potential areas that may be a conflict of interest with any business or other association you may be associated with and your duties as a RAHA Board member:

None.

Other information you'd like the RAHA Board to consider in reviewing your application:
