

2019 MVP BASEBALL CAMP

It is MVP Baseball's 13th annual summer camp. Coaches work to develop well rounded players through skill specific instruction and quality repetitions. We will focus on hitting, throwing, fielding, base running, conditioning, and teamwork. Each day ends with a controlled scrimmage so we can simulate real game experiences. We strive to create the best possible baseball experience and develop better baseball players. **Camp Director – Doug Pettit**- I am a former player at The University of Texas and twice participated in the College World Series. I also played in the Florida Marlins Organization. I am currently a Physical Education/Health teacher in Round Rock ISD. I have over 20 years of experience in baseball camps and private baseball instruction. I understand that this is a team effort so I surround myself with quality instructors who know the game and work well with young players. It is always nice when current college players can come help out. The young players have so much fun and are able to learn a lot about the game from them. Hope you can join us.
