FORTY-SEVENTH ANNUAL

Iowa High School Football Yearbook - 2026 Edition

A WORD FROM THE EDITOR

This yearbook is the result of the cooperation of the High School Football Coaches in the State of Iowa and other football enthusiasts. The book is an in depth record of what transpired in football during the 2025 season. It also includes the 2026 schedules for all football playing schools. The Yearbook originated 47 years ago by IFCA Hall of Fame Coach Norris Hale. The Yearbook is now a project of the IFCA Board of Directors.

Thank you to all those who contributed to this edition of the yearbook. Without your cooperation we would not be able to provide this book.

The Iowa High School Athletic Association's Football Hall of Fame was created in 1980 to celebrate and honor the achievements of former players for their exemplary contributions on and off the field.

Selections must be nominated by a member school and at least 10 years removed from graduation. High school accomplishments are deemed the top criteria, followed by post-secondary achievements and contributions to their school, community, and sport.

HALL OF FAME

IHSAA Football Hall of Fame: Class of 2025

DOUG BENSCHOTER, Waverly-Shell Rock

During his Go-Hawks career from 1972–74, Benschoter was a dominant two-way presence at tight end, defensive end, and kicker. A three-year starter, he led the team in tackles (150 solo, 160 assists) and scoring (151 points) as a junior and senior. In 1974, he earned all-state honors on both sides of the ball, Scholastic Prep All-American recognition, won the Class 3A heavyweight wrestling title, and placed in shot put and discus at the state meet. At Iowa (1975-78), he was a four-year starter and ranked among Big Ten leaders in tackles for loss as a sophomore. He also wrestled on the Hawkeyes' 1975-76 national championship team and became an All-American as a freshman. After earning degrees from Iowa, Minnesota, and DePaul, he built a career in structural engineering and commercial development before retiring in 2011. He and his wife, Ann, live in Waverly.

AUSTIN BLYTHE, Williamsburg

A key two-way starter for Williamsburg's 2008–10 playoff teams, Blythe twice earned all-state honors and Parade All-American honorable mention. He finished high school with 123 tackles, 40 for loss, and 14 sacks. A standout multi-sport athlete, he qualified for Drake Relays and the state meet in throws and captured three state wrestling titles while going 188-11. At Iowa (2011-15), Blythe became a four-year starter and senior captain on the Hawkeyes' undefeated Rose Bowl team. A Rimington Trophy finalist, he was selected by the Indianapolis Colts in the 2016 NFL Draft. Blythe played seven NFL seasons with the Colts, Rams, Chiefs, and Seahawks, starting 66 games, including Super Bowl 53. Since retiring in 2023, he owns Legacy Acres Hunting Club and now serves as Williamsburg's head football coach. He and his wife, Kiley, have three children.

TYLER JONES, Cherokee

Cherokee's record-breaking quarterback from 2005–08, Jones helped redefine Iowa's passing offenses. A four-year starter, he set lasting marks for the state's spread era, graduating as Iowa's all-time leader in passing yards (9,146) and completions (755), plus single-game (42) and single-season (287) completions. A two-time second team and one-time first-team all-state pick, he led the Braves to multiple playoff trips under coaches Tony Napierala, Neil Phipps, and Kurt Reynolds. Jones also excelled in baseball as a three-time all-state selection and Louisville Slugger Preseason All-American on four state-qualifying teams, including the 2007 champions. After high school, he built a career in agriculture and sustainability and now works for Redox Bio Nutrients, supporting farmers across the region. Jones and his wife, Madyson, are raising three children, Colson, Ember, and Knox, focused on faith, family, and farming values.

JJ MOSES, Waterloo East

Across three varsity seasons at Waterloo East, Moses emerged as a top running back and returner, topping 1,000 rushing yards in both his junior and senior years and earning two-time all-state honors. As a senior, he scored 13 of his 31 career touchdowns and averaged 39.6 yards per kick return and 22.2 per punt return. He broke the school rushing record held by his father, Jerry Moses Sr., an IHSAA Hall of Famer. At Iowa State, Moses became a First Team All-Big 12 selection at wide receiver and kickoff returner, helping ISU to a then-record nine wins and its first bowl victory (2000), earning Team MVP honors. He played four NFL seasons with the Packers, Texans, and Cardinals, ranking among the league's top returners and becoming the Texans' all-time return yardage leader. An author, speaker, and NFL executive, Moses' "Prepare to Win" program earned league-wide recognition. He and his wife, Sarah, have three children: Zoe, Noelle, and Jace.

IFCA AWARDS

Each year, the Iowa Football Coaches Association recognizes current and former members with induction into its Hall of Fame. Inductees are honored at an IFCA ceremony. The Coaching with Character Award goes annually to a coach who embodies the high character, integrity, and concern for student-athletes and service to the profession that were evident throughout Coach Walt Fiegel's career.

Iowa Football Coaches Association Hall of Fame

SKIP ECKHARDT

A nearly lifelong coach across every corner of Iowa, Eckhardt has spent nearly 45 seasons as a head or assistant coach across the high school and college level. A graduate of Crestwood in 1977, his first gig after graduating from UNI was at his alma mater in 1981. He then went on a journey of building programs up, with head coaching stops at Schleswig, North Tama, South Page, Davenport Central, North Scott, Davenport North, AGWSR, Shenandoah, and twice back at Crestwood. Other varsity and college assistant roles rounded out a career that included conference/district championships more than 35 years apart, including a 1984 state championship with Schleswig.

CHUCK HENRY

The Pennsylvania native came to Iowa in the 1960s to attend college at William Penn, then stuck around and had long-term success at Sigourney and Washington. Henry's teams at Sigourney went 76-26 between 1970 and 1979. They won SICL titles in five straight seasons from 1975-79, playing in state finals in 1976 and 1979. Henry also had two stretches at Washington, from 1982-92 and 2002-05, leading the Demons to reach 25 years as a head coach.

ALAN PIERCE

A lifelong northwest Iowan, Pierce led Laurens-Marathon to the state championship in 1989 during a coaching career that included 30-plus years at the varsity level and 13 in NCAA Division III. A graduate of Anthon-Oto, then Buena Vista, he started coaching at Marathon as an assistant, then stayed with the school as Laurens-Marathon, then Northwest-Laurens-Marathon. He spent six seasons as head coach at Spencer, where he lives, and then moved to assistant roles at Buena Vista and Spencer.

DOUG WINKOWITSCH

The active coach at ADM has spent over 30 seasons as a prep head coach in Iowa and has collected more than 200 wins in the process across Garner-Hayfield, West Delaware, and now in Adel. The 1989 graduate of Allison-Bristow served as an assistant coach at Gehlen Catholic in LeMars and Hubbard-Radcliffe before spending 20 seasons at West Delaware. Winkowitsch's Hawks went 157-58 with 15 playoff appearances, and his opening season of 2005 resulted in a state runner-up finish in Class 3A.

Walt Fiegel Coaching with Character Award

KAL GOODCHILD

In more than 35 years as an Iowa high school football coach, Goodchild was a successful and stabilizing figure throughout. Starting out his career at YJB, the program then shared with Panora-Linden to create West Central, where he served as head coach for three seasons. He then spent 29 total seasons at Benton Community across three stints, initially hired by fellow Hall of Fame coach Reese Morgan and then returning to the head role twice to keep building the Bobcat program. Goodchild's career has included nine district titles, 15 playoff appearances, and eight district coach of the year honors. He has also served as a head coach and assistant coach for the annual Shrine Game.

IOWA SHRINE ALL STAR FOOTBALL GAME

**“ Strong Legs Run,
So Weak Legs May Walk.”**

Everyone is a winner in the annual Shrine All-Star football game: The outstanding players and coaches who work together and play the game; businesses, individuals and Shriners who support the game; the biggest winners are the children in the Orthopedic hospitals and burns centers' program.

This game not only helps raise funds for the hospital programs but it also makes the public more aware of the free services available to a child who needs special orthopedic or burn care and rehabilitation.

The game is once in a lifetime experience for players and coaches and it will be the “high point” in some of their athletic careers, not only the game, but the visitation with the children in the hospital

Thank you - coaches, players, parents, businesses and Shriners

2024 IFCA STATE COACH OF THE YEAR - CLASS 5A

Corey Kopatich, Waukee Northwest

Corey Kopatich is a native of Ottumwa, Iowa, where he graduated in 2002 and played under IHSAA hall of fame coach Tom Kopatich. He was a part of the 2001 team that finished with a 10-1 record and still has the most wins in school history. He then attended Drake University in 2002 where he played football under Rob Ash and graduated in 2006.

Kopatich began his coaching career as a varsity assistant at Des Moines East High School from 2007-2010. In 2012 he took over as defensive coordinator at Waukee High School. During his time at Waukee High School, the Warriors qualified for the playoffs every year, advancing to the quarterfinals three times and making a semifinals appearance in 2014.

After the split of the Waukee schools and the opening of Waukee Northwest, Kopatich took over as the head coach of the Waukee Northwest Wolves in 2021. The Wolves qualified for the playoffs in their first three years as a program including a quarterfinal appearance in 2022 and finishing the 2023 season 7-2 and ranked #4 in the RPI. After going 4-5 in 2024 the Wolves rebounded in 2025 for their best season in school history. The Wolves finished the season 10-2, were the 5A district 1 champions, and advanced to the semifinals for the first time in school history. Kopatich was named district coach of the year in 2023 and 2025 and has a career record of 32-20.

Kopatich credits his success and the success of the Northwest Football program to the people around him and a community that cares about and supports football. This includes first and foremost a lot of hard working

and talented players and a great staff of committed assistant coaches- Nate Bailey, Alex Ganske, Brent Heitland, Tom Kopatich, Scott Carlson, Jason Sanders, Scott Phaydavong, Aaron Wies, Zach Pfantz, Jeremy Holcomb, Jacob Ringwald, Coen Brown, Ron Calvert, Anthony Beyer, Tim Murphy, Steve Stanley, Brandon Fitz. Also former longtime Waukee and Waukee Northwest AD, Jim Dua for him giving him an opportunity to be a head coach as well as current Northwest AD Justin Ohl and his staff for their unwavering support of the football program. As well as two of his most important mentors: his father Tom Kopatich and grandfather Jim Williams, who are both in the IHSAA hall of fame.

Kopatich resides in Urbandale, Iowa where he enjoys spending time with his family- wife Courtney and his three kids (Kylie 13, Kate 11, and Carson 9).

“This is a team award and our success this season can be attributed to all of the hard work put in by our players and staff during the countless hours in the weight room and on the practice field. It started with a great group of 38 selfless seniors who were willing to sacrifice for their teammates and the program” Kopatich said. “I feel very grateful to be in a community that supports football and to have people around me that share the same passion, vision, and commitment for Northwest Football”

2025 IFCA STATE COACH OF THE YEAR - CLASS 4A

Andy Swedenhjelm, Newton

Andy Swedenhjelm is a graduate of Dowling Catholic High School, and Truman State University, in Kirksville, MO. At Truman State he was a 3x All-Conference Defensive Lineman, and Team Captain. After graduation, Andy stayed as a Graduate Assistant Football Coach while he completed his Master's Degree. Afterwards, he spent three years at Ottumwa High School as an Assistant Football, Wrestling, and Track Coach. Andy then moved on to Newton High School, where he was the Head Wrestling Coach for 7 years, Head Strength Coach, and an Assistant Football Coach. While an Assistant he held various roles including Offensive Line coach and Defensive Coordinator. Upon the retirement of Ed Ergenbright, Andy was promoted to Head Football Coach. In those six seasons Newton has seen steady improvement, and have now qualified for the playoffs in each of the past four years.

The 2025 season was a season to remember for the Newton Cardinals. The Newton Cardinals finished the season 10-2, falling to eventual State Champions Cedar Rapids Xavier 31-24 in a back and forth matchup. It was the first time Newton had played in the semifinals since 1992, which was also the last time Newton won 10 games in a season. It was also the first time since 2007 that Newton won an outright conference or district title. Over the course of the season, Newton set or tied 32 school records, and QB Caden Klein was named Class 4A Player of the Year.

"I believe the key to our success here at Newton is investing in the people around you. I am fortunate to be surrounded by a fantastic staff. My varsity staff of Jeff Richardson, Trent Powers, Brian Springer, Lucas Warner, Ed Ergenbright, Chase Dickinson, John Harper, Oliver Martin, Randy Ervin, and Tom Weeks are a wonderful group of coaches that are committed to total player development on and off the field. Our freshmen staff of Loren Jacobsen, Reagan Maple, Josh Russell and Dan Cibula, as well as our Middle School staffs have done a great job of building the culture of high expectations and dedication. Our players did an unbelievable job this past season of working together to achieve heights that we have not seen in Newton for many years. I am forever grateful to have been able to lead such an awesome group of players, and represent our fantastic community of Newton."

2025 IFCA STATE COACH OF THE YEAR - CLASS 2A

Ryan Steinkamp, Kuemper Catholic

Coach Steinkamp is a native of Carroll, Iowa, and a 2008 Kuemper Catholic graduate. During his high school career, he played for Justin Penner (Western Dubuque) and was an All-State player, helping lead Kuemper to the school's first Dome appearance in 2007. After high school, he attended Central College to play linebacker for Jeff McMartin. He was a three-year letter winner and an All-Conference IAC performer his senior year, graduating in 2012.

He got his first football coaching job at Hoover High School in Des Moines while student teaching in Special Education and Physical Education. Shortly after, he returned to Kuemper to begin his teaching and coaching career. While at Kuemper, he has coached various sports and held multiple teaching positions in Special Education and Physical Education. He is currently the Assistant Principal for PS-12th grade.

He has coached all levels of football at Kuemper. He gradually worked his way up from junior high, freshman, and JV to varsity, where he coached for Chad Klein (Boone). After years in the program, he became the head coach in the summer of 2020. The Knights posted a 2-7 record that year, providing many important lessons along the way. In the first offseason, he established the "Knights of the Round Table" by creating a leadership group with representatives from each grade. This group was tasked with setting culture, standards, and core values for the program.

In 2021, the Knights improved to 4-5, showing steady progress. Player leadership and culture began to take shape from 2022-2024 posting records of 8-2, 8-3, and 9-2, falling in the playoffs to state championship finalists each year.

In 2025, the Knights completed an undefeated season, going 13-0 and winning the state championship. They were led by a strong group of 9 seniors, who were 3x district champions, and many underclassmen who stepped into important roles after losing a large senior class in 2024. He credits the success to his seniors, team leaders, and a deeply invested coaching staff.

"I am incredibly grateful and proud of the players and coaches at Kuemper Catholic. They put in a lot of time and effort during the offseason and throughout the season. They embraced our mindset of being 0-0 every game, respecting all opponents, and bringing the juice each day! The coaching staff worked diligently to prepare and care for all players. Our team was coachable, hungry, and came together as a complete unit. We had some special players this past year, but they were even better human beings and role models on and off the field."

Kuemper football embraces a family culture. Coach Steinkamp and his wife, Dani, also a Kuemper graduate, have three boys: Lincoln (10), Rowen (8), and Rafe (4). Their support at every game has been invaluable to the program. Steinkamp's father, Russ, a Kuemper graduate, served as an assistant coach, and his son Lincoln was a ball boy.

2025 IFCA STATE COACH OF THE YEAR - CLASS 1A Nick Eller, South Hardin

Coach Eller is from Radcliffe, Iowa and graduated from Eastern Illinois University in 2004. He played quarterback and linebacker in high school for Coach John Pelzer at Hubbard-Radcliffe. While at Eastern Illinois he received All Conference and All American honors as a TE. He was picked up by the Baltimore Ravens as an undrafted free agent for the 2004 season.

His first coaching job was under Sam Anderson at Urbandale High School in 2005. He then spent a year at South Hardin and 2 years coaching under Aaron Stensland at Roland-Story helping them to the playoffs. In 2017 he took the head coaching position at South Hardin High School in Eldora.

After a couple losing seasons the Tigers went 5-4 in 2019 and 6-3 in 2020 with a playoff berth and 1st round win. In 2024 the Tigers had a 10-2 record and reached the quarterfinals for the first time in school history.

The 2025 season was the best in school history with a record of 11-2 and reaching the semifinals. The Tigers broke over 28 school records along with numerous all district and all state players. The Tigers were led by 13 seniors who have played a lot of football in their 4 years in the program.

“This award is a program award because the people in our program from coaches, players and support staff have made the program what it is today. Our program is built on hard work and year round dedication and these people make that happen. This 2025 team bought into our program at an early age and to see that pay off was

truly incredible. Each game they gave us everything they had and left with no regrets. Thank you to all the coaches that have shaped me in my playing and coaching career. Thank you to my family and kids for all the support through the ups and downs of a season.”

2025 IFCA STATE COACH OF THE YEAR - CLASS A Kyle Oswald, MMCRU

A native of Allen, Nebraska, Kyle Oswald began his coaching and teaching career in 2008 at Rockwell City-Lytton as an assistant coach. In 2010 as Rockwell City-Lytton and Southern Cal would merge into South Central Calhoun where he spent a year as an assistant before moving to Marcus-Meriden-Cleghorn (MMC) in 2011 and once again being an assistant for a year. In 2012, MMC transitioned to an 8 Player Football program. Oswald would become the head coach and over the next 4 seasons he and MMC would amass a 47-5 record and two state championships.

In the fall of 2016 Marcus-Meriden-Cleghorn began whole grade sharing and combined sports with neighboring school, and local 8 Player rival, Remsen-Union to become the MMCRU Royals. The transition to 11-Player Football was a tough road. Over the course of several years it was difficult to grind out a win let alone a winning season. Finally, a winning season would happen in 2023 with a record of 7-3, a playoff victory, and a loss to the eventual state runner up that would usher in a bright hope for future seasons. Oswald says, "I really credit all of those players who came out for football when there was very little hope of having a large amount of success and were not able to see firsthand the fruits of their labor. Had it not been for those young men who were willing to keep our program alive, moving forward, and giving hope for a brighter future and stronger program, it would have taken even longer for us to see the turnaround at MMCRU."

The 2024 season would again bring a 7-3 record, a playoff victory, and yet again a loss to the eventual state runner up. With back to back winning seasons and being so close to the next level of success, the Royals would have extra motivation heading into 2025 and it would pay dividends. MMCRU would go 13-0 in the 2025 season and would hoist the Class A State Championship trophy for the first time in school history. "We are able to now see the great returns on the investment that is MMCRU. I am so very proud of our team and

the heights that they have been able to achieve. I am blessed to have been able to coach the players I have and see them become state champions. I am blessed with the coaching staff I have of Colin Youde, Derrick Marra, Alex Wimmer, and Braeden Kamphoff who prepare our players each and every week to succeed on and off the field. I am blessed with a family who has supported me throughout all the highs and lows of my career. Most importantly I am blessed to have a God who allows for all this to happen and I am thankful to give credit where credit is due."

Coach Oswald has an overall record as a head coach of 81-66 with three state championships. He resides in Cleghorn, IA with his wife Leigh Anne and their three children; Hayden, Brynlee, and Corbin.

2025 IFCA STATE COACH OF THE YEAR - 8-MAN

Dustin Crook, Woodbine

Coach Crook is a 2002 graduate of Woodbine High School and a 2006 graduate of Buena Vista University. He was a four-year letter winner, three-year starter, and team captain at both levels, served as a captain of the 2002 Iowa Shrine Bowl South Team, and was honored at Buena Vista University with the 2006 Hershberger Award and Team Offensive MVP—recognition that reflected both his on-field performance and leadership.

Following graduation from BVU, Crook returned to Woodbine, where he and his wife, Mindy, were married in 2006 and established a construction and development business. That same year, Crook began his coaching career within the Woodbine football program at the junior high level. In 2014, he was named head football coach, recognized for his dedication to the program, his impact in the community, and his passion for the game.

Crook inherited a program facing significant challenges, taking over a team that finished 0-9 and had just 14 players on the varsity roster in his first season. Tasked with overseeing the entire football program from youth through varsity, he implemented a program-wide philosophy emphasizing culture, accountability, and long-term development. Participation steadily increased, allowing Woodbine to remain a varsity program and rebuild competitiveness. Those foundational efforts transformed the program, with signature victories, consistent playoff appearances, and a State Runner-Up finish in 2025 highlighting a decade of steady growth. More importantly, Woodbine football once again became a source of pride for the community.

The Tigers put together a historic 2025 season, finishing with an 11-1 record and a State Runner-Up finish. This team dominated on both sides of the ball, outscoring opponents 750-137 on the year. The offense was as explosive as any in the state, averaging a touchdown every 4.7 plays per drive, ranking second in points per game at 62.5, and producing 92 touchdowns on just 438 offensive plays.

Defensively, the Tigers were just as impressive, finishing as the No. 1 defense in points allowed per game. The unit held opponents to one touchdown or less in eight games, including two shutouts. They did not surrender a 100-yard rusher until the state championship game.

The season came to a heartbreaking close in the state title game, where the Tigers fell by two points in the final seconds - a game decided by two-point conversions. While the ending stung, this team's dominance, consistency, and resilience cemented the 2025 Tigers as one of the best teams in program history and proud State Runners-Up.
