Three of our current board members are not eligible to return (Jeff, Nelsy and Julie) and the Mortons will not be returning. May need more continuity from this year to next year so have looked to amend the bylaws:
  - Terms of service included and updated
  - Clarified each member shall have paid their dues
  - Changed to can not serve two in the same office (means someone can serve in different roles to serve a third year)
  - Cleaned up the committees
  - Took out the succession plan language
- If anyone has questions would love to hear them now or if anyone is interested in raising hands to be on the board please let us know.
- Will send via email tonight and short board meeting on Monday night to vote on this and then we will go quickly to a vote for nominees
- We will need a nominee committee

### **Coach's Corner**

- Last week was fun at the East games
- Proud of the way we played
- The main thing is how we play mentally in the game and in the dugout - it's not just the plays, it's all the little things too

- Proud of Varsity - this is the youngest team we have ever put out there. It's there, it's just hard when you are young because there is not as much consistency.
- Seniors have been patient with the younger guys and the team morale is good
- The Locker Room was a mess and the players were held responsible for it, had to run 6 triangles. If Coach finds any trash, we will do that every time. Not fair that he same three guys clean it every day
- There has been a lot of movement up and down - for several reasons
- We are doing everything we can do to get people play time and the boys have been good about being fluid
- Some will double jersey
- Feel free to talk to your son's coach if you don't understand why something is happening
- Goal is to have a one-on-one with each player at the end of the season

Meeting Adjourned: 7:22 pm
