THE DEAL SOFTBALL LEAGUE

Dear League Members:

A very serious situation has arisen once again in our league which threatens not only the existence of our league, but the reputation of our community as well.

During the past couple of weeks, the Committee has received numerous phone calls and letters from the Umpire Association threatening to cease doing our games effective immediately. They have made these threats due to the fact that many of us have argued incessantly and continuously, thereby causing distress and frustration to the umpires. They are sick and tired of the constant bickering and unless we all keep our mouths shut, our league will cease to exist.

We must understand that the umpires will make mistakes just as we do in our lives. If we just took the time out to consider how difficult a job being an ump is, then the problem of arguing with the umps would definitely come to an end.

If you all enjoy playing ball each Sunday as we do, then please take it upon yourselves to have the necessary restraining in order to make our league a strong and viable one and one in which umpires will want to participate in. Should we not act with restraint and respect, we will all have to find something else to do on Sundays.

Thank you very much for your consideration and cooperation in this matter.

The Committee
