## Performance Bond

When a player registers for our league, they are given a spot on a roster. When those rosters are full we are forced to turn players away. As the season progresses, we then have players who don't show up for scheduled matches and don't inform their team captain of their absence. This leaves us with multiple matches per season that must be forfeited, (because of insufficient players), without due notice the game officials must still be paid.

In an effort to decrease the number of players who are not honouring the commitment they have made to their team, the Medicine Hat Women's Soccer League has had to introduce an Individual Performance Bond. In addition to the registration fee and uniform deposit cheque. Every player will be required to provide a cheque dated for the start of the season (May 22<sup>rd</sup>, 2019) in the amount of \$70.00.

On the 4th Occurrence of not attending a scheduled match and not notifying your team Captain **by 11:00am the day prior to game day, of your absence**, the Performance Bond Cheque Will Be Cashed.

It is understood that players will miss the occasional match due to previous commitments, family obligations, etc. In these situations, please call your team captain to let them know of your upcoming absence.

**Our common goal is to see our league improve and have fun!**

**When registering, please honour the commitment you're making to your team and the Medicine Hat Women's Soccer League.**

*Thank you for your co-operation and commitment!*
