

Building a First Class Program

As we begin our 11th year, the coaching staff will continue to need to lean on the community for support in the areas of time, money, and resources. Your ability to assist in donations in monetary form as well as products continues to be greatly appreciated. Through our first 10 seasons, we saw a tremendous amount of support from local businesses and families. The donation of food and resources has been great. However, the acquisition of monetary funds will be essential to meeting some other needs as well in the area of locker room improvements, game uniforms, equipment, and film technology.

With all this being said, we, as a coaching staff, ask that you consider supporting us through the purchase of a wall sign that will be hung in our main gym for a full calendar year and will be seen by thousands of people who come to various sporting events here at Archer High School.
