The meeting was called to order.

#### **Treasury Report:**

The current balance is \$11,201.65. Gloria Christopherson gave the treasury report. Taxes are all filed for the program and there are no outstanding checks at this time. Need to write a check to Tracey for TeamSnap expenses.

#### **Captain's Report:**

Boys are excited for the next season and encourage kids to do strength training. It will most likely be from 8-9:30 am. It has not been posted yet online but hopefully will by early May. They are also starting to think about varsity shirt designs.

#### **Coach's Report:**

All 3 coaches are coming back and there are 18 games set. Plan to do the scrimmage again in August and need to find teams to come that day.

#### **Old Business:**

Uniforms: Purchased all new white and blue jerseys and blue shorts for all 3 teams. Uniforms should be here early August. Each player will also get a pair of white socks and one pair of blue socks.

School will cover 2 goalie jerseys.

Talked about passing on uniforms to the middle school program and also allowing Varsity players the option of purchasing their old varsity jersey. Need to get clarification on this as to rules.

#### **New Business:**

Blitz fundraising day: May 19<sup>th</sup> with 4 boys per car. 11 am – 2 pm. At the end count all cards that have been sold and divide by the number of boys present. The top selling player wins a prize or the top team. Still to be decided. Looking at getting 8 gift certificates to possibly Cane's/Tasty's/Casey's. Plan to have food after for the boys.

Jean purchased a soccer ball and this will go to the top selling player for the entire selling period, not just the blitz day.

Hoping to have the boys set up a spot to sell coupon cards on May 20<sup>th</sup> at SRO during their Frankensteiner car show event.

Selling of cards through June 15<sup>th</sup>?

Need to figure out how to get the cards to all of the players.

Game program ads:

Decided to email past supporters for the next year.

Ads will be due June 30<sup>th</sup>.

Summer soccer training:

Coach Beggin gave each boy in attendance a 3 ring binder with information and possible dates for summer training. It was suggested to do this training right at weight training as the boys can just walk to the fields after weight training is done. This was done last year and seemed to work well especially for the boys who can't drive yet.

United FC Soccer team night:

They contacted us for a group outing and many boys are interested in this.

Michelle contacted the Courier to see when they needed the information by in order to publicize the soccer dates. They need the information by the end of the school year to be able to put dates for events on the calendar.

Teacher Appreciation Night:

Recognize a teacher at one of the home games. The player nominating the teacher would walk the teacher across the field.

Half time entertainment:

Jean Russum checking into maybe having a choir student to sing the National Anthem. The band said no due to budget cuts. Melissa Lupinek talked with dance team and is waiting on the hiring of a new fall coach before any decisions can be made. Missy Duchene is looking into the possibility of getting the drum core to perform.

Meeting adjourned by Conner (first) and Jack (second)
