Chris Scisciani, Head Coach

Dear Perspective Sponsor,

The Streetsboro High School Baseball program is looking for new community sponsorships. Over the past year, we have made several improvements to our new baseball facility and we are hoping to make our field the best in the area.

As a patron you can purchase a 4x6 fence sign displaying your business that will be placed on our outfield fence for the duration of the spring (March) through the summer (July). There are many people who visit our facilities during this time period to watch a high school or summer league baseball game. Through your sponsorship, we hope to generate some revenue back to your business. All proceeds raised will go directly back into the field itself and our baseball program.

We hope you will consider becoming a sponsor of the Streetsboro High School Baseball program. Please take the time to review the options we offer. Thank you for your time and I hope you become part of our "Team."

Thanks for your Support,

Chris Scisciani, Head Coach
