 - b) Attendance
 - c) President's Report
 - i) Money from the county came in right after our meeting last month. Scoreboards are bought. I saw that football helmets were bought. Please bring me physical copies of invoices/receipts or email them to me so I can print them out and keep records. If you haven't bought your stuff yet, that is fine. Please buy everything that you requested. We would rather you go over than stay under that amount so the county sees we needed that money. Also, if you go over, you're still spending very little of your own money because most of it should be from the county. [Buy by September](#)
 - ii) Baseball/softball had their field cleanup. From all accounts it was wet and we did our best to get things done. I know there is always stuff that still needs to be done. But thank you. [Baseball fields are done.](#)
