

Renewing your USA Water Polo membership in their new website (2022)

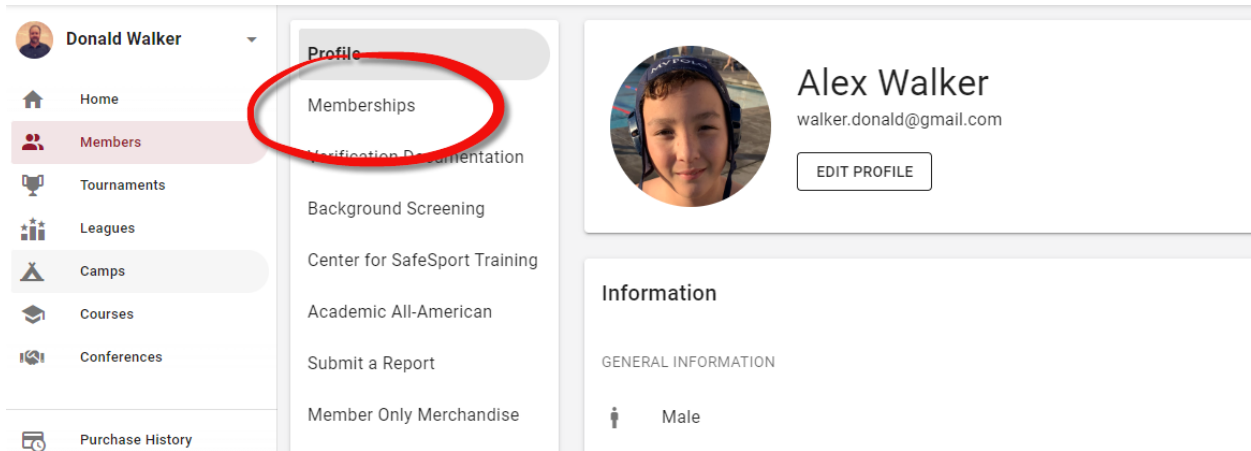

Go to USAWaterPolo.org and log in with your account

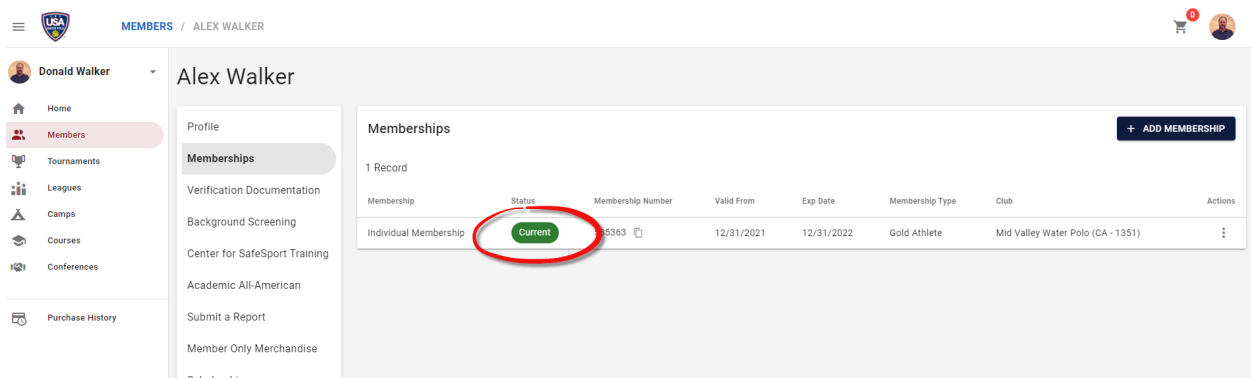

You could have several of your children under your login, so click the one you want to renew first

Then Click on the Memberships link

Then click on their current membership that you wish to renew for 2023

Note their current Expiration Date. It will likely say 12/31/2022. If says 12/31/2023, you are already renewed and do not have to do anything else.

It will also list their membership type. Most of you will likely want to choose a Gold Membership. A gold membership is required for any player who will participate in Junior Olympics. Either in the qualifier, or in JO itself. Alternatively, you could choose a Silver membership which will allow participation in “most” of the USA Water Polo sanctioned events and games other than Junior Olympics (which is the end of year championships in July). Select the membership level you wish to have going forward and click the “Next” button. (It is not necessary for a parent to have USA Water Polo membership, only players)

Current Membership Details

Status: **CURRENT**

Membership Number: 585363

Membership Type: Gold Athlete - Individual Membership

Zone: Coastal California Zone

First Joined: 12/11/2015

End From: 12/31/2021

Exp Date: 12/31/2022

Membership Renewal Details

Please Note: Any additional edits you make in this section of the form will only take effect once you've completed the form and checked out if payment is required. The available membership types may have been filtered to only show those available based on age and/or zone where applicable. Select to see details and price.

Membership Type: Gold Athlete

Adult parties participating in USAWP activities on behalf of or older and have regular contact with minor athletes must complete the U.S. Center for SafeSport's Core SafeSport Training before regular contact with athletes begins, and within 45 days of beginning a new role subjecting the individual to this policy. An annual refresher course is required every year thereafter. Training can be accessed with your USAWP membership account.

Optional Minor athlete SafeSport training courses are hosted by the U.S. Center for SafeSport on safesporttrained.org and requires that a parent/legal guardian create an account to provide consent for their child to access the training. Minor training is optional.

NOTE: For members under the age of 18, Parent/ Guardian must assist with the process.

Eligible for ALL USAWP athlete activity, including club practices, sanctioned events, National Championship Events (i.e. Junior Olympics) and all Olympic Development Program (ODP) participation including Zone Teams and ODP National Championships.

Cost: \$135.00

Renewal Period: 12 months

Update additional member information. Several important things here.

I recommend you say “No Thanks” to sharing information with NCSA. They will contact you trying to sell you services if you don’t decline. This can always be updated later if you decide you do want to hear from them.

Expected High School Graduation Year. This causes a surprising number of problems if the year entered is wrong. Please double check the year you expect your child to graduate from 12th grade. USA Water Polo uses it as measure of what grade your child is currently in.

Skip Shot magazine. Your child gets a free subscription as part of their USA Water Polo membership, and you can have it sent by mail or email (or decline it altogether). Suggest you get it mailed, and it will come addressed to your child. Encourage them to read it for information on water polo and college and Olympic athletes they may wish to emulate.

Additional Member Information

If you are a parent/guardian signing up an athlete/member, please provide the member's information below

NCSA
Next College Student Athlete

Yes, I want to play water polo in college and would like a free NCSA recruiting profile!

USA Water Polo has teamed up with Next College Student Athlete (NCSA) to support athletes with the dream of playing water polo in college. By checking the box, your interest to compete at the next level will be shared with NCSA. You will be emailed a recruiting profile to help you gain exposure to college coaches. With a database of over 35,000 college coaches across all sports and their team of 800+ recruiting experts, NCSA will help customize a game plan for your family with a free recruiting assessment to help you make sense of the college recruiting process.

Select "Yes" that you are the legal guardian of the person you are filling this out for

USA Water Polo Concussion & Sudden Cardiac Arrest Information Sheet & COVID-19 Return to Play Release and Waiver

Are you 18 years old (or older) or completing this form as the parent/legal guardian of the member?

No Yes

CONCUSSION AND SUDDEN CARDIAC ARREST INFORMATION SHEET

The following is a summary of information regarding concussions provided by the Centers for Disease Control (the "CDC"):

What is a Concussion?

A concussion is a type of traumatic brain injury—or TBI—caused by a bump, blow, or jolt to the head or by a hit to the body that causes the back and forth. This sudden movement can cause the brain to bounce around or twist in the skull, creating chemical changes in the brain : damaging brain cells.

Then after reviewing the concussion waiver, click “Accept” and enter your name and Email to accept the concussion waiver. USA Water Polo, like many sports today endeavors to educate parents, players and coaches about concussion risks and mitigating those risks.

For any participant who is not 18 years of age, parental consent must be accepted by the legal guardian of the participant.

By checking the box, I, parent/guardian of the registered participant, affirm and agree to the terms of the COVID-19 RETURN TO PLAY RELEASE AND WAIVER above without qualification.

Please click below to accept the above waiver.

Important: Date of Birth Verification

If your child has never played in Junior Olympics before, you probably have not completed the DOB Verification. All players participating in games should have their birthdates verified with USA Water Polo, and this is a strict requirement for National competition, of which MidValley does take part in. It will save you a lot of trouble if you get this done now. If you haven't done this already, click Add DOB Verification. Otherwise you can check out.

RESEND VERIFICATION DOCUMENT EMAIL SAVE

Otherwise, click Next

You must upload a copy of an official document that shows your child's birthdate. Examples of acceptable documents include passports, birth certificates, green cards, etc. Scan the document and upload the file in the interface and click save. Again, it is a really great idea to get this done now. Some people forget and when they finally realize they need to do it, there might not be enough time left to complete the verification process before deadlines. Birthdate verification only needs to be ever done ONCE for each child.

Upload

Allowed File Extensions: JPEG, jpg, PNG, png, PDF, pdf, Max File size: 20Mb.
Valid documents include a copy of your child's birth certificate, passport, or REAL ID upon completion of payment. Note: Standard Drivers License or ID without the REAL ID designation is NOT ACCEPTED.

Document Upload * No file selected Choose File

If listed birth date differs from the document upload, your document will override the DOB upon approval.

Date of Birth * mm Feb dd 5 yyyy 2010

You will be asked if you want to make a donation. This donation is to USA Water Polo, NOT Mid Valley. There is no requirement to donate money to USA Water Polo to participate, though you are free to do so if you wish.

Would you like to make a donation?

The Mission of USA Water Polo is to grow the sport of water polo throughout the United States and win medals in Olympic, World Championship, and Pan American Games. Donations are used to build and strengthen our community and to support our mission.

The reality is USA Water Polo does not receive government support. The United States Olympic & Paralympic Committee provides between 25 - 30% of our National Team budget; 10 - 12% of the overall budget. Annual Fund contributions help us close the gap between membership revenue and the cost of fostering growth nationally, funding our National Teams and tackling important initiatives including DEI efforts, relaunching the Splashball™ program nationwide, providing scholarship/financial aid at all levels of play, referee & coach recruitment, training and development and providing more resources to our National Team athletes both in the pool and out.
