-Front Row: Toby Janusek, Harrison Parker, Case Hoehn, Cayden Kelly, Wyatt Schoettle, William Kelly, Jordan Kiger, Sebastian Valle, Camden Rocha, Jeremiah Sanders, Laken Warren, Roman Howe, Gavin Hooper, Tucker Jackson.

Narrative: 2024 Kids Nationals was held in Cedar Rapids, Iowa and it was a great tournament. The tournament has grown year after year and there were 406 more entries than last year.

Indiana had 41 All-American wrestlers in both styles from across the state of Indiana and came home with 1 National Champion, 1 Runner-up. While not everyone came home with All-American status, we are proud of how each wrestler competed and our wrestlers represented our state well. Our kids had fun on the mat and off the mat

by competing through the day and swimming at the hotel and playing games at night with their newly made friends from all over the state. It truly was a special trip and something the coaches looked forward to each year.

The hotel staff, other states coaches, parents and the venue staff all complimented the IN kid's behavior and how nice and respectful they were. Team Leader also advised there was a coach from PA say they wished their state would do what we were doing with our kids.

This Team Indiana trip is designed to prepare the future of Indiana wrestlers in the Freestyle and Greco style development at an early age. This trip will be modeled by the largest national trip for 16U wrestlers that takes place every summer at the Fargo Dome in Fargo, North Dakota. The ISWA supports this national trip in preparation in reaching this year's ISWA goal to expose younger kids to Olympic style wrestling.
