June 29 & July 1

Games on these nights are tentative, dependent upon how the Bay Port high school team is doing in the state tournament. If the Pirates are playing on these nights, all youth baseball games will be cancelled to allow players/families/umpires/concession workers/etc. the opportunity to attend the high school state games and support your Pirates. For those teams wishing to practice/scrimmage, they may do so at the discretion of coaches and must be communicated to all players by the coaches.
