Subject: Return to Play Survey #2 – Your Input Needed

Ontario Soccer, in consultation with Canada Soccer and the Government of Ontario, continues to monitor the most recent developments surrounding the Coronavirus (COVID-19) pandemic, the resulting public health crisis and Ontario Soccer's Return to Play Plan.

In April of 2020, the Ontario Soccer membership took part in a Return to Play survey, which sought input from across the province on how to safely implement our sport during the ongoing public health crisis.

Thanks to the membership of Ontario Soccer, we received over 17,000 responses to our [Return to Play Survey](#) and that data directly assisted us in creating the framework for our [Return to Play Guide and Plan](#).

The Return to Play process has not been without its challenges and at this time we would like to assess how membership is managing through the global pandemic.

To understand your concerns better, Ontario Soccer has created a second survey so you can provide us your input on what Return to Play in Ontario has been like.

Ontario Soccer asks that administrators at Districts, Clubs and Ontario Recognized Academies complete the survey. As well, we ask that you share it widely with your members to ensure their ideas are heard and accounted for.

Survey data collected will assist Ontario Soccer with our Return to Play strategy and can also be shared with the Ontario Government and Canada Soccer so they better understand the challenges facing our sport.

[Click here](#) to take this survey and help us shape the Return to Play. **The deadline for submission is Nov. 30, 2020.**
