U19 Select Team

WHO IS THIS FOR?

Girls 12-19 looking to play on a competitive team prior to the High School Season

This year KYHC will be entering a U19 Girls Select team to compete in NHAHA Tier II. The games are anticipated to be played in late October and early November with the League Tournament November 9th -11th. The season will be completed before the High School season starts. There is the possibility of a regional tournament in late March depending on how they finish in the State Tournament. We plan on having ~2 practices a week, starting after Labor Day. One will be the Development Camp, the other will be a combination of off-ice and on-ice team practices.

We will be holding an evaluation session the afternoon of August 11th at Keene Ice. There is a \$25 evaluation fee that will be applied towards the tuition or the camp. For girls enrolled in the Development Camp the fee will be waived. It is anticipated the roster will consist of 13 skaters and 2 goalies.

The tuition for this program is \$600 and includes the Development Camp, Jersey and Socks and Team Practices. USA Hockey Membership is required and is a separate cost if they don't already have one. www.usahockey.com
