Much discussion followed about playoff system. It was decided that the top 4 teams would make the playoffs. If only 2 teams are tied for the last playoff position in either division, head to head results would be used to decide the 4 seed position. If they split a play-in game would be held. Home team to be decided by run differential between the two teams, and then the normal tie breaking procedure. If 3 or more teams are involved for playoff positions the normal tie breaking procedure would be followed and if it comes down to a coin toss the teams have the option to play a play-in game. Motion made by Clyman, seconded by Milton, and approved.
