Vice President's Report: nothing

Secretary's Report: nothing

Treasurer Report: nothing

Registration Report: tournament tryout registration and coaches registration are open

League Commissioner Reports - Time allotted / 5 min each | Action required: submit report by email; follow up discussion as needed in new business

PeeWee/TeeBall – TJ Minnehan – all is good; reschedules – unsure how they are flowing through; have had an entire team and coaches not know a reschedule was posted. TJ recognizes he may need to communicate some different way to coaches.

Coach Pitch (6U) – Beth Wachowiak - none

Jr Kid Pitch (8U)– Matt Steege - had conversation with Lisa Linz, all should be ok, was more of a mountain out of a molehill situation (Koepp corroborated this); another coach with kids that just keep coming that appears to be an issue

Machine Pitch – Erik Schuessler - no real updates, things are going smoothly, less drama. last games are tomorrow, will get brackets updated.

Junior League (10U) – Kayla Louchbaum - subs and scheduling for tournament week (will work with Plamann to coordinate); rules should discuss how the kids coming in and subbing are handled (batting last, playing outfield?) clarify the rules for the league tournament

Minor League – Eric Sheedy – all good, games are done, brackets are set

Senior League (12U) – Chase Simmons - none

Major League–Joe Lietzke - final games were all played tonight, makeups included.

Baseball Tournament--Committee - Firecracker tournament June 27-29

- Drew – needs checklist to make sure he’s not missing anything; Ian will do fields friday morning; we can handle fields after that; has head coaches contact info.

 - o 9U-12U White - \$150

Softball Tournament Teams – Andy Plamann - none; LaTour has ump's filled for Catfish; working with Stacey on shirts; tryouts and coaching open

Umpire Coordinator Report – filled last spots for this week; need to understand league tournament games and what commissioners feel were there solid umpires for their league games and would like to offer to those kids first – Commissioners text or Email Greg the umpires they liked

Park Improvement Committee – met with village today and Rettler, focused on a longer term plan; documented notes for field asks; what do we need based on kids in the program (double what we have today); need flexibility for size of fields but also need a legit little league field; Community Park is great for what we have now, need to understand where we should be investing our resources; quoting more work down at the park, will bring quotes to a future meeting for discussion/voting in the fall

Sponsorship Coordinator Report – does anyone know where the vinyl for the scoreboards ended up?; still have to put plaques on benches; when can we get other benches built for B, D dugouts

Fundraising Report - all set for test drives to get our extra \$500

Equipment Coordinator Report - league tournament trophies or rings – extra \$500-\$750 total; may be right up to the deadline of the tournament; otherwise have giant trophies; TJ motioned Rings; Bonnie seconded – all in favor; mats for cages; balls for Jugs machines

IT Coordinator Report – wifi extender is in the pavilion kitchen;

Diamond Scheduler Report - where does she go with tomorrow night’s games? Tuesday July 1?
