## STATE COLLEGE ICERS – 2020-2021 FEES & BENEFITS

The following fees and benefits have been established for the 2020-2021 Season. Please reference the registration and tryout procedures document for additional information. Please reference the season refund policy document for information regarding financial reconciliation in the event of a season cancellation.

Note that fees generally remain consistent from last season. The association anticipates supplementing the practice jerseys provided last season with new jerseys for those in need, as sponsored by our partnership with Geisinger. Players are responsible for purchasing all other required team uniform/equipment (jerseys, socks, bags, warmup) and personal player equipment (not included as part of player fees).

Discounts are available similar to previous years per the following:

- A sibling discount of 10% is offered for the lowest price player fee(s).
- A goalie discount of 50% is offered for any player registering as a goalie (an increased discount from past years). Players accepting a goalie discount are expected to participate as a goalie in all practices, including NLDP, unless otherwise directed by their head coach. SCYIHA has contracted with Matt Erlichman to serve as a goalie coach for our Association. Matt will be assisting on the ice during SCYIHA practices. His time will be split between teams sharing the ice and between ice sheets when both sheets are in use. A goalie clinic will be conducted by Matt approximately twice per month.
- Per PAHL rules, girls are eligible to play on up to two teams (Co-Ed and Girls Only, or 12U and 14U girls only). For girls playing on two teams, a multi-team discount applies and results in a player fee of \$2,000. A practice only option is available for both 12U and 14U girls teams for \$300.

SCYIHA teams will be eligible for free participation in the Happy Valley Invitational Tournament pending sufficient opponent interest. The tournament income from visiting teams offsets the cost of participation for our teams and players. Participation in the home tournament is not included as part of the membership fees. Additional away tournaments may be scheduled at the discretion of the team/coach with costs paid directly by the team members.

Coaches will be selected once teams are set dependent on available interest.

### 18U (Midget) – Coed (Birth Years 2002, 2003)
