## 2020 Colorado Thunderbirds Pre-Tryout Skates

The Colorado Thunderbirds are excited to get back on the ice with our Thunderbirds Pre-Tryout Skates June 8-23 at South Suburban Ice Arena. These sessions are open to all 11U-18U (\*10U with prior approval) players that are interested in trying out for the Colorado Thunderbirds or training at an elite level. The Pre-Tryout Skates are voluntary, not mandatory, but are highly recommended. It helps the coaching staff to have some type of relationship and history with the players prior to the Main Tryouts June 24-28. This will allow our coaching staff a better way to help identify future Thunderbirds players/families that will blend and mesh into a successful team family.

The Pre-Tryout Skates will be high tempo skates designed to prepare players for upcoming tryouts and will focus on important fundamental skills including skating, passing, shooting, and checking (for appropriate ages), as well as small games and full-ice scrimmages.

Please register online according to your birth year, but the Thunderbirds staff reserves the right to move players between sessions. It is recommended that players who are interested should register early as space is limited.

Colorado Thunderbirds Main Tryouts are June 24-28. Main Tryout registration link and more details are available at [www.tbirdhockey.org](http://www.tbirdhockey.org)
