- As of January 18, 2024, we have 87 kids registered for 2024 season
- Status of Tournament Director
 - Several board members have reached out to several potential candidates, however, no one has agreed to commit.
- Sizzle Options:
 - Option A: Move forward with 2024 Sizzle
 - Current board members may have to split up roles/responsibilities if someone does not volunteer for the Tournament Director role
 - Option B: Do we pay someone to plan/run the 2024 Sizzle?
 - Potential options GNLL
 - Option C: Do not have the 2024 Sizzle
- Sizzle Discussion Recap
 - Majority of board members expressed concern they do not have the bandwidth to take on additional role of helping to plan the 2024 Sizzle
 - 2023 Sizzle had a net profit of \$15,000
 - Potential impact of not having a 2024 Sizzle
 - If we do not have the Sizzle, it will result in an additional expenditure to register all teams for a third tournament (approximate cost \$5,000)
 - Teams may not return if they find other tournament options they prefer
 - May result in the need for additional fundraising by all families and/or increase in future registration fees
 - If we do not proceed with 2024 Sizzle, board members were in agreement we will need to send out communication to CYLA families stressing the importance of volunteers for the long-term longevity of the CYLA program

- Mandy said she will make a few calls to see if there's any interest in running planning/running the Sizzle if compensated. She will get back to the board early next week with any information she has.
