

JR TROJAN FOOTBALL

TROJANS

Parent Meeting: February 4, 2019

www.tosajrtrojans.com

MISSION STATEMENT

The goal of our program is to provide the opportunity to play and promote football for youth in grades five to eight in the Wauwatosa attendance area. It is our goal to teach the fundamental skills, tactics and strategies with emphasis on continued improvement, discipline, sportsmanship and teamwork. As a youth sports program, we want to ensure that all participants have a positive and high quality experience, which will create an enthusiastic attitude towards High School football. All players are considered an important part of the team and program, and should learn life lessons that they will carry on beyond sports.
